

Citrus Place Named the "Best Memory Care" by U.S. News & World Report

Citrus Place has been recognized by the U.S. News & World Report as a 2023-24 "Best Memory Care" community a ranking report released in May. The title is achieved through U.S. News's statistical assessment of a community's performance from consumer satisfaction surveys. Only 43% of the nearly 4,000 communities that U.S. News evaluated earned a "Best" rating for even one type of care.

"It's an honor to have Citrus Place ranked among the best in the country," said Jeff Fischer, president of MBK Senior Living. "We strive to provide a culture of care, hospitality and an environment that all MBK residents are proud to call home. It's gratifying to have those efforts recognized."

U.S. News Best Senior Living ratings and profiles offer comprehensive information and exclusive analysis of consumer satisfaction data evaluating such factors as community and activity, food and dining, caregiving, and management and staff for nearly 4,000 communities in the continental U.S. and Hawaii.

For more than 30 years, U.S. News has served the American public as an unbiased arbiter of quality across a variety of important choices. Whether picking a college, selecting a hospital, or moving to a senior living

community, consumers go to U.S. News to research and make consequential life decisions.

Citrus Place has a longstanding reputation in the Riverside community as a senior living community that offers Independent Living, Assisted Living and Memory Care services, spacious apartments, expansive grounds, caring staff, and desirable amenities.

Our well-rounded

Mind+Body Wellness enrichment program is tailored to residents'

More than the amenities and programs, what makes us 'the best' are the residents, families, and team members who make Citrus Place a vibrant community, full of opportunity and connections.

abilities and supports whole-person wellness through social, educational, and fitness activities that engage residents' bodies and minds.

Our memory care program for those with Alzheimer's and other dementias helps residents engage in daily tasks, reconnect with the present, enjoy past experiences, and encourage family connections. By devising individual care plans that meet specific resident needs, we can support residents so they can live their life with purpose and joy.
