

Hacienda Del Rey Named the “Best Memory Care” by U.S. News & World Report

Hacienda Del Rey has been recognized by the U.S. News & World Report as a 2023-24 “Best Memory Care” community a ranking report released in May. The title is achieved through U.S. News’s statistical assessment of a community’s performance from consumer satisfaction surveys. Only 43% of the nearly 4,000 communities that U.S. News evaluated earned a “Best” rating for even one type of care.

“It’s an honor to have Hacienda Del Rey ranked among the best in the country – and for the second year in a row,” said Jeff Fischer, president of MBK Senior Living. “We strive to provide a culture of care, hospitality and an environment that all MBK residents are proud to call home. It’s gratifying to have those efforts recognized.”

U.S. News Best Senior Living ratings and profiles offer comprehensive information and exclusive analysis of consumer satisfaction data evaluating such factors as community and activity, food and dining, caregiving, and management and staff for nearly 4,000 communities in the continental U.S. and Hawaii.
