

Huntington Terrace Named the “Best Memory Care” by U.S. News & World Report

Huntington Terrace has been recognized by the U.S. News & World Report as a 2023-24 “Best Memory Care” community a ranking report released in May. The title is achieved through U.S. News’s statistical assessment of a community’s performance from consumer satisfaction surveys. Only 43% of the nearly 4,000 communities that U.S. News evaluated earned a “Best” rating for even one type of care.

“It’s an honor to have Huntington Terrace ranked among the best in the country – and for the second year in a row,” said Jeff Fischer, president of MBK Senior Living. “We strive to provide a culture of care, hospitality and an environment that all MBK residents are proud to call home. It’s gratifying to have those efforts recognized.”
