

## Savanna House Named the "Best Assisted Living" by U.S. News & World Report

Savanna House has been recognized by the U.S. News & World Report as a 2023-24 "Best Assisted Living" community a ranking report released in May. The title is achieved through U.S. News's statistical assessment of a community's performance from consumer satisfaction surveys. Only 43% of the nearly 4,000 communities that U.S. News evaluated earned a "Best" rating for even one type of care.

"It's an honor to have Savanna House ranked among the best in the country," said Jeff Fischer, president of MBK Senior Living. "We strive to provide a culture of care, hospitality and an environment that all MBK residents are proud to call home. It's gratifying to have those efforts recognized."
