

## Seven Lakes Memory Care Named the “Best Memory Care” by U.S. News & World Report

Seven Lakes Memory Care has been recognized by the U.S. News & World Report as a 2023-24 “Best Memory Care” community a ranking report released in May. The title is achieved through U.S. News’s statistical assessment of a community’s performance from consumer satisfaction surveys. Only 43% of the nearly 4,000 communities that U.S. News evaluated earned a “Best” rating for even one type of care.

“It’s an honor to have Seven Lakes ranked among the best in the country – and for the second year in a row,” said Jeff Fischer, president of MBK Senior Living. “We strive to provide a culture of care, hospitality and an environment that all MBK residents are proud to call home. It’s gratifying to have those efforts recognized.”

U.S. News Best Senior Living ratings and profiles offer comprehensive information and exclusive analysis of consumer satisfaction data evaluating such factors as community and activity, food and dining, caregiving, and management and staff for nearly 4,000 communities in the continental U.S. and Hawaii.

For more than 30 years, U.S. News has served the American public as an unbiased arbiter of quality across a variety of important choices. Whether picking a college, selecting a hospital, or moving to a senior living community, consumers go to U.S. News to research and

make consequential life decisions.

Seven Lakes is a high-quality memory care community offering person-centered care in a warm, home-like environment. We are proud to be the first and only senior living community in Colorado to be 100% certified as a "Dementia Friendly Leader."

Our memory care program for those with Alzheimer's and other dementias helps residents engage in daily tasks, reconnect with the present, enjoy past

experiences, and encourage family connections. By devising individual care plans that meet specific resident

needs, we can support residents so they can live their life with purpose and joy.

Our well-rounded Mind+Body Wellness enrichment program

is tailored to residents' individual abilities and interests. It is designed to support whole-person wellness with a number of social, educational, and fitness activities that engage residents' bodies and minds. Weekly outings are prioritized at Seven Lakes so residents can enjoy concerts, golfing, fishing, and local restaurants.
