A letter from the Executive Director...

Dear Friends and Family,

I hope that you all have had a wonderful summer. This month is a busy but exciting month for us here at Keepsake. We will be honoring our amazing team and residents this month with the celebration of *National Assisted Living Week* ; September 10th - 16th. We will be recognizing one special employee nominated by friends and families of KSV and co-workers. We will be having our family counsel meeting which is always a pleasure. More information to follow. I would also like to thank everyone who came out for our family summer picnic last month. We all had a wonderful time and it was a pleasure seeing you all.

Thank you!
Michelle Gillespie
Executive Director
