Facility News

We are excited to announce that Jessica Edmonds has accepted our Director of Nursing position! Should you have any nursing concerns or need anything nursing related, please contact Jessica at the facility.
CONGRATULATIONS JESSICA!!

Welcome Kirston Dupee, our Social Service Intern working with Sunnie through the middle of December. Kirston is currently in the Human Service program at Gateway. She has an EMT license and also works in the Emergency Room at Burlington Hospital. Kirston wants to pursue her career in a field where she can keep helping people. In her free time, she enjoys hiking, playing darts, and spending time with her family and dog. Make sure to stop by Sunnie's office and say hello!

Are in interested in volunteering? We are looking to gain some more volunteers to help in various ways. If you or someone you know is interested, please contact Nicole in activities.

Thank you to Squire's Pumpkin Patch for donating the pumpkins for our Residents to decorate!!

Spread More Kindness

Kindness comes to life when we give of ourselves and our time to be of help to others, without expecting anything in return. When you show kindness to somebody you bring out the best in yourself, and you feel happier in the moment yourself.

Here are some ideas and ways to be kind to others:

- Smile when you see someone — go the extra mile with a friendly greeting or wave
- Write positive messages on post-it notes and leave them for people to find
- Provide help or assistance to another without being asked
- Give a compliment, hug, or small unexpected gift
- Tell a nurse, loved one, teacher, mentor or friend how much you appreciate them
- Paint rocks with uplifting messages and pictures and place them in the local community for others to find
- Volunteer to help others with small tasks or errands
