Facility News

Alzheimer's Walk wrap up. Did you know Wisconsin has the most Walks to End Alzheimer's in the county? Proud to participate in Washington County's Walk. Washington County had 65 teams and 500 participants this year. The goal set was to raise \$103,000. We are almost there. As of this writing the fundraising has brought in \$101,577. We can still make it because fundraising does not end until December 31st. This year at Wellington set a more modest goal than in the past but we are proud that we not only met our goal of \$1000 but exceeded it by \$325.42. Let's see if we can double it again next year and get some family members on the team.

It was a lovely day for our outing to Port Washington Marina Park, although a bit breezy right down on the water. We

watched the fishermen on the pier and a boat that brought in a small catch. Don't know how hungry people were when we got home because we all got an ice cream cone for the ride home.

We've also been having fun partying with the Packers games, Bears vs. Packers, a Thursday night game and a Monday night game. Packers will also be playing on Thanksgiving.

We were invited to participate in preparations for the Hartford Pink Pumpkin Run or Walk for Breast Cancer Awareness. Our friend, Roberta, hooked us up with half a dozen pumpkins to paint pink and decorate. The decorated pumpkins festively line the path downtown and are then given to the survivors of breast cancer. Let's hope this great cause can be an annual activity.

Spread More Kindness

Kindness comes to life when we give of ourselves and our time to be of help to others, without expecting anything in return. When you show kindness to somebody you bring out the best in yourself, and you feel happier in the moment yourself.

Here are some ideas and ways to be kind to others:

- Smile when you see someone — go the extra mile with a friendly greeting or wave
- Write positive messages on post-it notes and leave them for people to find
- Provide help or offer assistance to another without being asked
- Hold the door open for someone
- Give a compliment, hug, or small unexpected gift
- Tell a nurse, loved one, teacher, mentor or friend how much you appreciate them
- Give a surprise gift to someone you care about
- Paint rocks with uplifting messages and pictures and place them in the local community for others to find
- Volunteer to help others with small tasks or errands
- Refrain from criticizing others

HAPPY VETERANS DAY

NOVEMBER 11

Honoring All Who Have Served

In May 1938, November 11, originally known as Armistice Day became a legal holiday to honor veterans of World War I, but in 1954, after World War II had required the greatest mobilization of defense personnel in the Nation's history, and after American forces had fought aggression in Korea, the 83rd Congress amended the Act of 1938 by replacing the word "Armistice" with "Veterans." At that time, November 11 became a day to honor American veterans of all wars for their patriotism, love of country, and willingness to sacrifice for the common good.
