A Note from our Executive Director...

Dear Residents, Families and Friends:

Happy Fall! The colors this year have been so beautiful, I hope you have been able to get out on a country ride to see how pretty the leaves have been.

On Thanksgiving, November 23rd, I hope you will join us for our Annual Thanksgiving Dinner from 11:30 – 2:00. We will be serving a wonderful meal – turkey with all the trimmings and of course pumpkin pie (in addition to other pie choices)! I hope you will join your Greenpoint friends and neighbors to celebrate this holiday and eat a fantastic meal created by Chef Ray and his talented team! If you choose to spend the holiday with family or friends outside of Greenpoint, I wish you a happy, safe, and fun-filled Thanksgiving!

Here are a few reminders about our Greenpoint community:

- Residents should put their trash outside their apartment door no earlier than 7PM each evening. Staff will come around during the night to remove it. Please do not put your trash out earlier than 7PM.
- Recycling – please put your blue bins with any recycling items outside your door, after 7PM on Sunday, Tuesday, and Thursday. Staff will come around and take your recycling. Please do not put any trash in the blue bins – they are for recycling only.
- Please remember to sign out at the Front Desk if you are going to be leaving the Greenpoint community. You may always call the Desk if you are leaving and don't want to come sign yourself out.
- Please refrain from using your cell phone in the dining room. This is disturbing to other residents who are trying to enjoy their meal.

We are entering the COVID/Flu/RSV season again. To keep you healthy and help prevent the spread of illness:

- Wash your hands regularly and sufficiently (sing the Happy Birthday song twice! That is how long it should take you to wash your hands). Please use hand sanitizer often – we have wall hand sanitizer dispensers throughout the community as well as spray bottles of hand sanitizer in the front lobby.
- Please notify us immediately if you are feeling ill and stay in your apartment so you can avoid spreading illness to others.

Additionally, please remember to lock your apartment door when you leave, keep your belongings and valuables in a safe, secure place and let us know if we can be of any assistance in helping you to secure your valuables.

As always, I look forward to working with the staff and residents to make Greenpoint an even more wonderful place to live!

Warm Regards,
Paula Cerio, MS, CDAL
