Skilled Nursing • Respite Care • Rehabilitation Services

WISH List

We are in need of non-swivel, non-rocking recliners for our residents. If you have one you would like to donate please contact Ann in the front office.

Thank you to all of those who made a donation to go towards our Resident's Christmas!

HUGE THANK YOU to the staff and patrons at Pirate's Cove of Delavan and Donna Keithley for adopting all our residents again this year!!! We appreciate everything you all do every year!!

No visitation restrictions currently. Please refrain from visiting if you are not feeling well.

Facility News

Meet our Employee of the Month for December, our Therapy Dog, Fiona.

"I live with my mom and dad and brother and sister cats, Freddy and Scout. I love going to work, walks, wading in the lake and going on the pontoon boat, Treats, and playing with my mom's grandkids. Before working at Geneva Lake Manor, my most interesting job was playing with my toys, eating, sleeping, and pooping, but I've pretty much worked here since I was 8 weeks old. If I could switch jobs with anyone at GLM for the day, it would be someone from Dietary. Then I could taste test everything. Oh wait... I already do! My mom made me work at GLM and I love her for it! My greatest accomplishment since working here is the smiles I put on the residents faces every day!" **THANK YOU Fiona for ALL you do!! And THANK YOU Angie for sharing her with us!!**

Meet our Employee of the Month for January, our Director of Nursing, Jessica.

"I have worked for Geneva Lake Manor since 2015. I started as a CNA, up until 2020 when I graduated nursing school and began my career as an RN. While I am not working, I like to spend time with family and friends. I have a one-year-old little girl at home who keeps my days off full of surprises."

January Resident of the Month: Junice, aka Grammy

Junice was born on June 17, 1924!! Junice grew up in Chicago, IL with her Mom, Dad, and brother Robert (Bobby). She worked at Wieboldts Department Store and made gas masks with her mom at the war plant. Junice got married in a hurry before the war, on October 17, 1942, to Miles Dewey Prehn. They were married for 69 Years!! Together they have 3 children, 7 grandchildren, 18 great-grandchildren, and 3 great-great-grandchildren!

Junice's favorite book is a Julia Child Cookbook. Her favorite movie is Gone with the Wind. Her favorite place to go is Riverview. In her spare time Junice likes to spend as much time outdoors enjoying the sunshine. She enjoys grilled cheese sandwiches. Her favorite color is blue, and her favorite holiday is Christmas!

Some of her talents include bare back horse riding, clipping coupons, and pulling a horse trailer with her convertible. A secret you may not know about Junice is that she used to smoke cigarettes.

Happy Birthday!

Best wishes to our residents and staff celebrating birthdays this month.

1/30	Jeanne P.

Staff Anniversaries

10 Years	Tim N.
6 Years	April S.
5 Years	Mari S.
4 Years	Lauryn M.
2 Years	Alysha S.
2 Years	Annica S.
1 Year	Nash K.

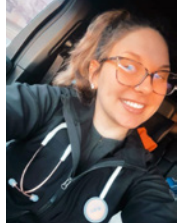

Meet Our Team

Meet our new Assistant Director of Nursing, Anna Swanson:

Hello, my name is Anna. I have worked in healthcare for many years. During those years I've worked as a dietary aid, CNA, and dialysis tech before earning my nursing degree. Most of my career as an RN has been in long term care and dialysis. The past 3 years I've been working for an agency traveling to LTC facilities in the Janesville and Madison area as well as working as a dialysis nurse in a long-term acute care hospital. I am a mom of 2 grown boys and 2 mini Aussies. In my spare time I like to kayak and hike with the dogs and spend time with family and friends. I am very happy to be here and look forward to getting to know everyone.

Meet our new CNA Supervisor, Lauryn Miller:

Hello, my name is Lauryn, but most of the Residents know me as the "Baby" of the facility. I started working here when I was 16. I worked in the kitchen as a PM Aide, then I switched to Activities, before joining the Resident Assistant (RA) program. Many may know when I was 16, I didn't want to do nursing because it just freaked me out. I started to do RA work and it opened my eyes to how much potential I had. Not only was I encouraged to become a CNA but supported by Staff members and many of the Residents. I earned my CNA License in 2021 and loved every second of it. I decided to sign up for the med tech position and went through training. Next, came the CNA Supervisor Position. I have worked as the CNA Supervisor for a short time now, but I feel like I got the hang of it. I can't thank everyone that works here enough for the encouragement I have received over the years! I'm excited to see where this position takes me.

Meet our new Infection Preventionist, Angie Benjamin:

Hello, my name is Angie. I have worked at the facility for almost 19 years now as the long-term floor nurse on day shift. Just recently I transferred over to Staff Development/Quality Improvement/Infection Prevention. It is a whole different world, and I am still learning the process of my new roles. I am enjoying it so far but miss all of my interactions with my residents. I love the fact that I can bring my dog to work with me to brighten the staff/resident's day. Her name is Fiona, you may know her. I have been married to my high school sweetheart for 30 years. We have 2 daughters and 5 grandchildren. I enjoy flowers, succulents, hanging out on the pontoon boat and spending time with my grandkids. When my residents are happy, I am happy! I am located in rehab near room 111, stop by and say hello!

Meet our new Medical Records manager, Kim Klerner:

Hello, my name is Kim. I have been at Geneva Lake Manor for 7 years now. I started out in the kitchen before moving to activities. After activities I was up front at reception for a short time before transitioning to Medical Records. I have one son, Jacob, who married his wife Samantha in September of 2022. In my spare time I enjoy diamond painting and spending time with my family.
