Facility News

Meet our new Administrator, Dan Donohue:

Hello, my name is Dan Donohue, I have been a licensed Administrator for over 20 years. I have worked most of my career in Iowa except for a three year stay in Arizona.

I grew up in Oskaloosa, Iowa and graduated from William Penn University in Oskaloosa.

I have been married to my high school sweetheart for 36 years and have three

daughters. My two oldest daughters live in Iowa and my youngest is still at home. I enjoy fishing and watching sporting events in my free time. I have had season tickets to the Iowa Hawkeye football games for over 25 years.

I am so excited to be the new Administrator at Geneva Lake Manor. I have met many great people in my first few weeks and look forward to meeting many more. I look forward to many years working and leading this facility to become the premier long-term provider in the area.

I invite everyone to stop by my office and introduce yourself, my door is always open.

Meet our new HR Supervisor, Carmen Clark:

Hi, my name is Carmen. I am a single mom of a beautiful 8-year-old daughter named Kylie. I spend most of my free time with my daughter. I like to go to movies, out to dinner, and go on adventures.

We love traveling and going to places we have never been! We also love spending time with our chickens. We have four girls named Henry, Banana, Cinnamon, and Laylah.

I graduated with an AAS-Business Management degree in May of 2023. I was patiently waiting for the right opportunity to gain more experience. When the Human Resource Manager position opened at Geneva Lake Manor, I figured that was something I wanted to do.

I have been with W.I.S.H. on and off since October of 2009. I started at Holton Manor as a CNA, then went to be med tech. In 2015, I was offered the team lead position. I was in that position until I left in January of 2021. When I returned in October of 2022, I was the full time Scheduler.

I look forward to meeting and working with everyone at Geneva Lake Manor!

Happy Birthday!

Best wishes to our residents and staff celebrating birthdays this month.
