

Resident Spotlight

Raymond

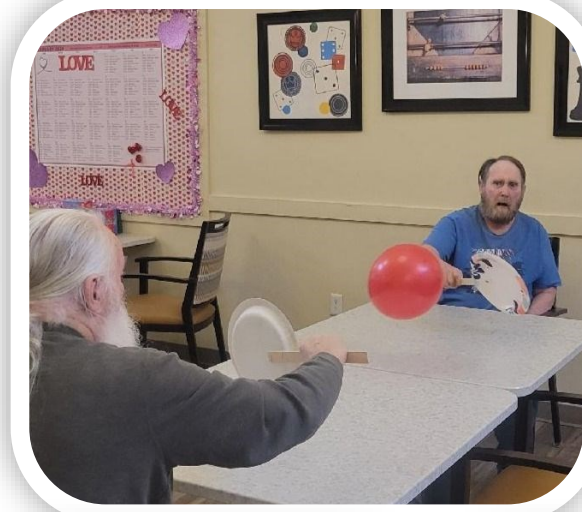

Raymond was born in Washington state. At a young age, he and his parents moved to California. Later, he married and had two children, a boy and a girl. In 1968, he bought a brand new Jaguar, which was “the love his life!” Raymond worked as a truck driver for about 20 years, but his passion involved building race car engines, and anything that had to do with racing. He was also an avid water sportsman and taught his son to surf.

moments captured

This is one of our new games we have here called Table Tennis. Carl and Raymond love to play and have a healthy competition to see who can get the most points.

Ceder the puppy dog is learning to play Bingo. Do you think he won?

We had a fun day full of cupcakes and treats!

A Note from the Executive Director

Dear Residents, Family and Friends,

The evidence of spring’s arrival is all around us. The daffodils are blooming and so are we now that sunny day walks have resumed. March is also the month we celebrate our team on Employee Appreciation Day. I don’t have enough space to write out all the amazing attributes of our team here at Farmington Square! The group of individuals I have the pleasure of working with truly have hearts of gold. I’ve always liked to say that my definition of integrity is what a person does when no one is looking. I catch team members daily, going above and beyond, caring not only for the physical needs of residents but also their intellectual, social, emotional and spiritual needs.

Thank you to all who attended our Family Fireside Meeting. It was great to visit in a relaxed setting and we heard some great stories!

Warm Regards,

Joni
