Executive Spotlight

Happy March!

It's hard to believe Spring, Daylight savings time and Easter are quickly approaching. We have been blessed with a very easy Winter when it comes to driving, ice and snow removal. People are anxious to get the chairs set up outside on the front porch but we still have unpredictable March weather to navigate. We will get the furniture out as soon as we are confident snow will not be an issue. Have a wonderful month!!

Resident Spotlight

KING GEORGE & QUEEN JUDY

To my friends at Arbor Glen,
I want to thank you for honoring
me with the V-day King, I do
appreciate it - thank you so much!

King George

Dear friends,
When I walked into the Pub that sunny
day in February, I had no thoughts that I
would be receiving such a wonderful gift
as the Queen of Love tiara! It made me
so happy as it bonded me closer to my
family here at Arbor Glen. It will always
be a treasure to me, thank you so much!

Queen Judy

Nursing Update

COVID Update: We are currently COVID free in the building! Test kits and masks are available at the front desk for residents and families.

Please take a moment to check your loved one's supplies; we are seeing many run out of key toiletries. Memory care will be having a supply list put in the rooms so staff can assist with communicating supply needs. We recommend setting up an auto-ship of these items if possible. Please reach out to nursing department with any questions or concerns.

MARCH HOROSCOPE

Those born from March 1–20 are Pisces, the Fish. Like fish, Pisces like to go with the flow in an easygoing manner, but on the inside, they are intuitive, intensely spiritual, and deeply emotional. If you were born between March 21–31, you are Aries, the Ram. These independent adventurers like to strike out on their own and are natural leaders. Their enthusiasm and confidence mean they have big and outgoing personalities.

Happy Birthday
