SPRING INTO MARCH

Happy March! The Spring season is upon us and so are many great events. We will kick off the month by celebrating St. Patrick’s Day. Join us in your green on March 15th for themed refreshments and a musical performance by the Southwind Celtic Trio!

On March 20th, we will celebrate Read Across America Day. Join us by reading the book “If You Give a Mouse a Cookie” to a classroom at St. Mary Magdalene Catholic School.

March also marks Women’s History Month. All month long we will celebrate our lovely women of Waltonwood. Each week we will highlight all the amazing things these ladies have accomplished over their lifetime with our Women of Waltonwood Showcase.

Finally, with the Spring season comes baseball! Join us on March 28th for our Major League Baseball kickoff event. There will be concession snacks and a special appearance from North Carolina State Mascot, Mr. Wuf. I hope you will join us for all the fun as we spring into March!

FOREVER FIT: REST AND RECHARGE

We know how important diet and exercise can be for our overall health, but did you know there's a third factor just as crucial. The rest we get, in particular, the sleep we get, lays the foundation for how our bodies recharge and repair. Aiming for 7-9 hours of night shut-eye can improve your immune system, help lower the risk of heart attack and stroke, reduce the risk of dementia, and promote health weight management. This March aim for better bedtime habits. Put down the book, unplug from your phone and TV, and make sleep a top priority to help improve your overall health and wellbeing.

-Chris G., Senior Forever Fit Manager

EXECUTIVE DIRECTOR CORNER

Welcome March! We can't wait to spring forth as March 19th marks the first day of spring. Spring is a colorful season with vibrant colors as the temperature rises. We warmly welcome the blooming flowers, sunny days and growing gardens.

Spring Tip: Now is the time to enjoy the beautiful sights of cherry blossoms, daffodils, tulips, and many more. Ideally, flowers should be harvested in the early morning. Before arranging them into a vase, make sure to cut each stem on a 45-degree angle to allow the flowers to absorb more water. Water should be changed daily for ultimate freshness.

Please be reminded that March's community review call is Monday, March 18th, at 3:00pm.

Thank you, Nadia Awah
