

Making PROGRESS

March 2024

THE **Birches**
OF LEHIGH VALLEY
Personal Care and Memory Care

The move-in process has started!

Our team began moving into their new offices inside the community during the past two weeks. While there are still some small details being worked on – like hanging pictures, touching up paint, and testing light fixtures – the construction phase is finally over! Once the state comes to inspect, they'll issue our license and new residents can begin to move in.

We are working through our list of depositors to bring those individuals in to select their apartment. We're also planning a grand opening celebration event in May, so stay tuned!

Join us for an *Egg-citing* celebration!

Saturday, March 23 • 10am-12pm

Hop on over to The Birches for an Easter celebration for all ages!

- Egg hunt for children ages 10 and under starting at 10:30am
- Photos with the Easter Bunny
- Sweet seasonal treats
- Tours of our new community!

Reservations required. Please RSVP by March 20.

To RSVP to events or arrange a tour of our community,
**Call Jillian or Vanessa at 610-438-6600 or email
jberry@thebirchesoflehighvalley.com.**
