

## **PERSONAL CARE ITEMS**

- Personal care items for individual resident will be kept in wash basin and/or nightstand drawers.
- Personal care items will be marked with the resident names if the items are used in shared bathrooms.
- Stock soap/body wash and/or shampoo will be used by dispensing a needed amount onto a washcloth to promote infection control.
- Personal care items will be kept clean by washing the items as needed, drying and storing the items in a clean area (drawer/closet shelf) or disinfected as indicated.
