

OLD MILL TOWNHOMES RENTAL CRITERIA

Management Services Corporation strongly supports the applicable Federal and State Fair Housing laws in both spirit and actual practice. All policies set forth below are to be strictly adhered to without regard to race, color, religion, sex, national origin, sexual orientation, gender identity, veteran status, handicap, elderliness, source of funds, or familial status. All prospects will be treated in the same manner when marketing an apartment or rental property.

Note: Anyone 18 years or older who will be living in the apartment must complete an application and qualify according to the guidelines set herein. A minor who turns 18 during occupancy will be required to complete an application at lease renewal, but will not be subject to the qualifying guidelines.

The application process at OLD MILL is made up of multiple components to include a Rental Score, Income Qualification, Criminal History, and Housing Verification. Each of these components is detailed below. **An applicant who is a full-time student or graduate student will be exempt from the below criteria with verification of full-time enrollment and a qualified guarantor.**

STUDENT ENROLLMENT REQUIREMENTS

- Student ID # and student email address through University or College
AND one of the following
- Verification through school directory if available
- Course schedule with enrollment of at least 12 credit hours

GUARANTORS/COSIGNERS

- A guarantor will be accepted for any applicant who is a verified full-time student.
- A guarantor will have an email address independent from the primary applicant.
- A guarantor's income must be 3x the monthly rent.
- A guarantor must complete and return all guarantor paperwork.
- A guarantor must have permanent residence in the United States.

A guarantor may be removed from the lease at any time if the resident can qualify on their own and has no lease violations.

Applicants who are not students, or students who prefer to qualify under the standard criteria at OLD MILL TOWNHOMES are required to meet the guidelines as detailed below.

RENTAL SCORING

OLD MILL relies upon statistical scoring models to determine the relative financial risk of leasing an apartment to applicants. We use a third-party screening company, SafeRent Solutions, to screen all applicants. In addition to estimating risk, rental scores are an objective and consistent way of reviewing relevant application information and help speed the applications approval process.

- Any applicant with a score of 635 or higher is **APPROVED** without conditions. Security deposit of \$400.
- Any applicant with a score of 550-634 will be **CONDITIONALLY APPROVED** with an \$800 deposit or obtain a qualified

guarantor.

- Any applicant with a score of 395-549 will be **CONDITIONALLY APPROVED** with a deposit equal to one month's rent, or obtain a qualified guarantor.
- Any applicant with a score of 394 or lower is **DENIED**.

Please note that other factors are also considered in addition to the Rental Score which may affect the final decision including, but not limited to, negative housing, verification of income, and unreported or false information provided on the application.

How is my rental score determined?

Rental scoring systems assign points to certain factors identified as having statistical correlation to future financial lease performance. Your rental score results from a mathematical analysis of information found in your credit report, application, and previous rental history. Such information may include your bill-paying history, the number and type of accounts you have, collection actions, outstanding debt, income, and the number of inquiries in your consumer report. The final number, or rental score, represents an estimated level of risk as compared to the performance of other consumers in a range of scores.

Because your rental score is based upon real data and statistics, it is more reliable than subjective methods of evaluating your information. Rental scoring treats all applicants consistently and impartially. Additionally, your rental score never uses certain characteristics like – race, color, sex, familial status, handicap, elderliness, national origin, sexual orientation, gender identity, veteran status, source of funds, or religion - as factors.

Where can I have my score explained?

If your application is declined, your application did not meet the landlord or property management company's minimum score requirement. You have the right to request a free copy of your consumer report within 60 days after receipt of an adverse action letter. If you would like to request a free copy of your consumer report or dispute any information on your consumer report that you believe is inaccurate, you may contact us directly at the number or address listed below.
