April 2024

A note from our... Executive Director

Madonna Residents, I hope all of you had a great month of March. I want to thank everyone who came up to me and wished me a Happy Birthday! I hope all our March birthdays had a great day. Can you believe we are already a quarter of the way through 2024!! Time is flying. Join me in welcoming the month of April. You know the saying: April showers bring May flowers, as if we haven't had enough rain so far this year. There are many fun facts about April. Everyone remembers the ship Titanic. The historic ship sank on April 15, 1912. The Revolutionary War in America began on April 19, 1775. I am not the one for pranks, so you will not be "April Fooled" by me. I hope you can prank someone you know for fun on April 1st. Tyler Barnes, Executive Director

the Madonna Monthly

We had a great month of March with new activities, outings and performances. In March, residents enjoyed a St. Patrick's themed Happy Hour with Bag "O" Trix. They put on a great St. Patrick's Day performance for our guest and residents.

In March some of our residents were able to enjoy our restaurant outing to Ellis Great American Restaurant here in Salinas. Our residents had great memories and stories to tell about dining at Ellis. We have had two wonderful additions to our activity team Mariko and Emy they bring great energy and passion to and are already making a huge impact with our art activities. When you come to visit this month, please notice our resident Art wall that will feature original pieces from our community members each month. You'll be amazed at the personality that comes through in these lovely works.

We would like to thank all the family and guests that joined us for our Easter celebration March 31st. We started with a morning brunch followed by our Easter egg hunt and ended with photos with the Easter bunny. Thank you to all the staff that helped put together the event and thank you to all our guests for joining us for our celebration.
