St. Patrick's Day crafts delivered by a wonderful group of local homeschooled children!

Dear Friends and Families of Regency Village at Bend Residents,

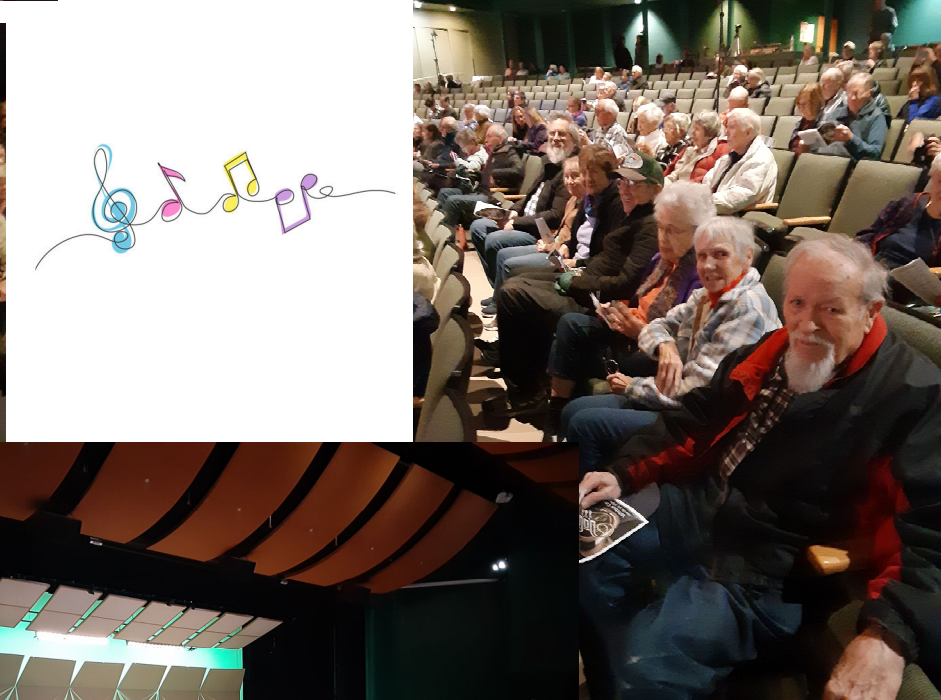

We are lucky to have many bird feeders around the community. Residents love watching and listening to the variety of birds that visit our feeders. Our happy little birds are going through at least one 20 pound bag of Audubon Park songbird seed from Bi-Mart each week. (At \$11.99 per bag, this is the most affordable songbird food I have found around town.) The Activities Department would welcome birdseed donations. If you have any questions, please feel free to contact Angi Grubbs, Activities Director or drop off any donations at the front office.

Cordially,
Angi Grubbs

Picnic in the Park

Each Sunday we will have the potential for enjoying lunch at one of Bend's beautiful parks. Residents will bring a sack lunch prepared by the kitchen. This activity will only take place if the weather is comfortable for outdoor seating. Family and/or friends are welcome to join us. They need to bring their own food and provide their own transportation. The location will be announced when the sign-up seat is put out for residents.

Story Time

(Tuesday afternoon's)

This month we will be starting the novel The Miraculous Journey of Edward Tulane by Kate DiCamillo. This is the story of Edward Tulane, a porcelain rabbit who becomes lost from the little girl who loves him. His travels span the course of more than 30 years as he tries to find love and happiness again, even if it means having a life without his former owner. This book was recommended by Rya, Deschutes Community Librarian.

Hallway

This activity has become quite popular. For this reason, there will be two rounds played on the same day. Residents will be able to sign-up for either Round 1 or Round 2. Each round will have a maximum of six players.
