### ARCADIA SPRING GALA

COME GROW WITH US

MAY 22, 2024  
3:00 - 6:00

## From the Executive Director

We have some pretty big events coming up this Spring and Summer. We are gearing up for Derby, Mother's Day, Father's Day, and our Grand Opening. We are planning a big grand opening event to show our appreciation and to show off all our hard work and fabulous residents. So, make sure to watch for additional information and invites.

You probably have noticed that you aren't seeing as many construction workers and vendors in the community and that is because we are almost wrapped up with the remodel. We anticipate new furniture, window treatments and artwork to arrive mid-April. Our employees, management team, and residents are so excited to show off the fresh and updated community.

As we continue to transition and grow, we are striving to improve our policies and procedures. As a community, we have recognized that our PC meal delivery service could use some improvements. To ensure that our PC residents who choose to eat in their apartments get a meal delivered in a timely manner and charged correctly for that service, we will make sure that all residents and families have the number to the front desk. If a resident chooses to have their meal delivered, they will need to call the front desk 30 minutes before the end of the meal service to put in an order. At that time, the PC front desk will deliver the order to our culinary team. Once the order is ready, our care staff, or an available culinary staff member, will deliver the meal to their apartment. The PC front desk will work with our business office manager to make sure that residents are charged correctly.

## Resident Spotlight

**Jane Summay** was born and raised in Lexington, Kentucky. She is a 1951 graduate of Henry Clay High School and a 1955 graduate of Transylvania University. After college, Jane began a teaching career in Lexington where she instructed 5th graders in all subjects.

Jane and her husband Russell were married in 1957. As he was studying medicine in Louisville, Jane relocated to join him. She continued to teach until Russell became a doctor for the Air Force, a position which moved them to Texas and later California. Following his service, the couple returned to Louisville where they raised three sons. Over the years, Jane's family has grown to include nine grandchildren and five great grandchildren.

Jane is an active member of her church, Chapel in the Woods, where she volunteers as a greeter, assists with the widows' group, and leads a circle meeting. She is a fan of both the Louisville Cardinals and the Kentucky Wildcats, however, when the rivals face each other, she roots for the Cardinals. Her hobbies include Bridge, reading, and keeping up with her grandkids. At Arcadia, Jane enjoys playing cards, Bingo, socializing, and is a member of our Resident Council.

## From the Director Continued

As a reminder, meal delivery to a resident's PC or IL apartment is \$5.00 each meal or \$300 a month, unless due to illness or medical necessity. This will be determined by the nursing staff and myself.

We love seeing more and more families and friends joining their loved ones for meals and if you have not visited us for a meal, we want to invite you to come and enjoy a homemade meal with your loved one. It is a best practice to call ahead to ensure that the culinary team is ready to serve you.

I also want to thank each one of you for your support and feedback as we continue to be the best senior living community we can be. Without your support we could not make it happen. If you haven't already and want to help support our staff and community, please make sure to leave us a Google Review. If you do not have a Gmail account, let us know and we can send you a link.

**Guest Meal Prices:** Breakfast \$8.00 Lunch/Dinner \$10.00 Brunch or Holiday Meals \$ 15.00

To reach the front desk to order a meal delivery please call 502-244-4244. They will need the apartment number and the order.
