Letter from Executive Director

Dear Arcadia Residents, Family & Friends,

Let me start by saying Happy Spring. I can't believe we are already going into the 4th month of 2024. April is a month of hope and awakening, exploding with bright new beginnings. It's a time to admire the majesty and quirkiness of Mother Nature. I don't know about you all, but I am looking forward to the many things that the warmer weather brings. We have some beautiful outdoor spaces and I encourage you all to take advantage of these areas for friend and family visits. Be on the look out for a fresh up to our front porch area. We have many exciting activities planned over the next few weeks with Easter being the big holiday this month. On April 8th we are in the pathway for the "Great Northern American Eclipse" please watch your activity calendar for exact viewing times. We will have eclipse glasses available for viewing. I really hope you will take advantage of these events and participate.

Thank you all so much for continuing to be the absolute best. We are just not friends, we are family.

"Where flowers bloom, so does hope" Lady Bird Johnson

-Candie Gray, Executive Director

Resident Spotlight

Our April Resident Spotlight is Mrs. **Evelyn Richardson**. Evelyn was a graduate from Western Kentucky State College in 1952 and began writing a human interest newspaper column. The column reflected good farm life with her husband, James, and their two daughters. As the children entered middle school, Evelyn merged her 4-H leader skills and volunteer experience with a “job with pay.” She was the regional librarian for the ten county BRADD region. This was a time when public libraries were developing across Kentucky. This job became her passion and helped develop her into a published author. Since retirement in 1992, she has volunteered in various projects at the Logan County Public Library. The most challenging yet rewarding work would be indexing the local newspapers published from 1945 to present and organizing thousands of local photographs into an accessible collection. Her genuine interest in preserving local history has led to her being involved in the Chamber of Commerce, Tourism Commission, and Historical Society. Throughout all of her professional achievements, she is most known for her caring and graceful personality.

Emergency Preparedness Meeting

We have started a monthly emergency preparedness meeting. We meet the third Tuesday at 2:30pm. This meeting goes over what to do in case of a tornado, flood, earthquake, and fire. We highly encourage every resident to attend this meeting. We want everyone to be prepared and knowledgeable if an emergency were to happen. If you have any questions, please reach out to Maitlin or Candie.
