## Letter from our Executive Director

Stilley House residents and families,

Happy April and Happy Spring everyone! I'm so happy to see warmer temperatures and longer days ahead. One of my favorites things is when our residents can get outside and gather on the porch each day. It's so good for our physical and mental health. This is also a time when we can start planning all the fun activities that warmer weather will allow. I look forward to fishing trips, scenic drives, trips for ice cream, and so many other fun things to keep our residents active and engaged. Before we know it, we will be planting flowers, getting to smell freshly cut grass, and sipping on lemonade. Spring is such a time of rejuvenation and I always look forward to the things it brings.

We have welcomed many new residents over the winter months, and they have been such a great addition to our Stilley House family. We look forward to making memories with everyone over the next few months. Please plan to attend the new resident reception held each month so that you can get to know everyone.

## Continued from Jennifer

We have also welcomed several new staff members that are doing a fantastic job caring for our residents. I've gotten several compliments lately from residents and families about our staff and how great they all are. Thank you for your kind words, it is always great to hear about the good things you are experiencing at The Stilley House. Speaking of kind words, more and more these days, people are turning to reviews for answers about just about everything they buy. But they are also looking at reviews when deciding where to place their loved ones when they can no longer be at home. If you are pleased with The Stilley House, please consider leaving us a Google review. When I meet with prospective residents and families, these reviews really do go a long way. We want them to feel confident with their decision to place their loved one in our care and what better way to build that confidence than to hear from residents and families who are already here.

Thank you all for your unwavering support of the Stilley House. We have the BEST residents, families, and staff. It is my goal to lead this team to provide the BEST care and service to each person who calls Stilley House home. It is such a privilege and blessing for me to spend my days amongst these wonderful people.

All the best,  
Jennifer
