Personal Care and Memory Care

Crossing the Finish Line

The construction of our new community has been completed! As we await a visit from the state inspectors who will issue our license, we're keeping busy helping our depositors select their new apartments, hosting events, and planning our grand opening celebration.

Haven't seen The Birches yet? Call to arrange a tour, but don't wait too long. Our community is filling up fast!

An Egg-citing Time at The Birches

The Easter Bunny hopped into The Birches on March 23 to help celebrate the completion of the community. Over 30 children enjoyed an egg hunt in our Memory Care neighborhood, and all adults and children had the opportunity to take photos with the famous bunny. Our guests toured the entire community and enjoyed some yummy refreshments.

We also hosted a networking event for professionals who represent businesses throughout the Lehigh Valley. They enjoyed tours and refreshments in our new bistro.

Save the date for our Grand Opening Celebration on Saturday, June 1. Watch for more details!
