Thank you to all our Volunteers!

April is the month we honor all of our volunteers! We have so many volunteers who help us make this a better place to be! We have volunteers from the community who help with activities including piano players and church service leaders. We also have so many residents who help with daily activities. From our Board members to centerpiece makers to people who arrange the signups for card games. It may not seem like much if you turn off the movie on movie night or coordinate the card playing groups, but it all makes things run smoothly here. We will be saluting all of our volunteers at a volunteer appreciation happy hour Tuesday April 16th at 3:15 pm in the Fireside Room.. If you are ever interested in being a volunteer here, please see Sonja , Life Enrichment Coordinator.

Resident Spotlight

Joann R!

Joann has lived at Vernon Terrace for almost a year and a half. Prior to moving here to be closer to family, she lived in Dilworth MN for 60 years.

Joann grew up on a farm in DeLamere North Dakota and moved to Molnor North Dakota where she graduated. After high school, she moved to Fargo and started working in business and typing. She moved to Long Beach California for two years but didn't like it because the weather was always the same! She returned to Fargo where she worked in business and got a job working for the insurance department of General Motors where she remained for 30 years! During that time, she met her future husband at a dance.

Joann was married for 40 years before her husband passed away. They had three sons, one who lives in Grand Forks and two who live in the Twin Cities metro area.

While in Dilworth, Joann was active in the Eastern Star and her church. Here at Vernon Terrace, she stays busy with playing a variety of games, socializing, jigsaw puzzles and reading. She attends exercise class 5 days per week, is secretary on the Resident Advisory Council and helps by putting the weekly calendar in everyone's mailbox.

When asked what she likes about Vernon Terrace, she says the friendliness of everyone!

Inner Camps Mail

Everyone is encouraged to check their building mail a couple of times per week. The weekly calendars, menus and other community news from Vicki Tobroxen can be found in this box. If you haven't checked it, there are file folders for each apartment and first-third floor in top drawer and fourth-sixth floor in the second drawer.

In House Services

We only need one more person to sign up for optometry services! With audiology, we need only three more people. Podiatry is already coming. If you are interested in either of these services coming here to Vernon Terrace, flyers regarding In House services and consent forms are available at the front desk. Please contact Casey, Resident Services Coordinator, (612) 412-0439 to sign up or with questions.
