

Pet Names

Photo & Poem by Gib L.

What shall we name the pair of ducks,
 Who have lived right here since babies?
 Without much effort the couple decided,
 The names would be Donald and Daisy.
 The pair of ducks visited Norma and Jim,
 For going on two whole years.
 When one day only one of the pair showed up,
 It was one of Norma's worst fears.
 She saw Daisy sitting in the grass alone,
 But Donald was not around.
 The next day they were happy to know,
 Their pet ducks had been found.
 Splashing together in a water puddle,
 Not far from the Lodge front door,
 As long as Donald and Daisy are together,
 They'll quack and quack some more!

We had a great time in April watching the solar eclipse, visiting the Cabinets of Curiosity, planting herbs, and enjoying springtime treats!
