Letter from Executive Director Happy Mother's Day!

Mother's Day is a celebration honoring the mother of the family, as well as motherhood, maternal bonds, and the influence of mothers in society. Please take time to pay a special tribute to that person that has meant so much to you throughout the years, whether it be a simple "Thank You" card, candy and or flowers, whatever it may be, it is the thought that counts. I hope you can relate to the poem below about a mother's love.....

The Mothering Job

© **Marian N. Kehrley**

I watched my Mom fill out an application.
I looked at the line that asks about past professions.
I thought to myself, that space is too small
To write down what she's been, to cover it all.
She was a nurse when I fell and scraped my knee.
She was a maid when I didn't wipe my feet.
She was a designer when my clothes didn't match.
She was a tailor when my pants needed a patch.
She was a teacher when I asked a question.
She was a priest when I had a confession.
She was a psychiatrist when I came home crying.
She was a preacher when I got caught lying.
She was a singer when she sung me to sleep.
She was a lifeguard when she said the water's too deep.
There are many more, yet the best one to me,
She was a best friend and mine forever she'll be.

Respectfully,

Pat Cranmer
