CARRIAGE PARK

MAY 2024

"May is one of the most beautiful months of the year, a month alive with warm color. The flowers and trees are in full bloom, and even the sun joins this rhapsody by emitting warmer rays." We will add to this glory by planting our flower beds this month.

Please invite your loved ones to one of our Mothers Day Specials. (or both!) R.s.V.P. by May 6th.

"My Mother: She is beautiful, softened at the edges and tempered with a spine of steel. I want to grow old and be like her."
Jodi Picoultnd

FOREVER FIT/ National Senior Health and Fitness Day

On Wednesday May 29th join Waltonwood and over 100,00 other older adults across the country as we celebrate National Senior Health and Fitness Day. The annual celebration highlights the impact that staying active and fit has on our overall health and wellness as we age. Mirroring the principles of the Waltonwood Forever Fit Program, National Senior Health and Fitness Day promotes the benefits of regular exercise by finding creative ways to incorporate fitness into your daily routine. This year's theme is "Make Fitness Your Friend for Life", because it's never too late to start a more active lifestyle. On May 29th, lace up your walking shoes gather a few of friends and join us as we celebrate National Senior Health and Fitness Day 2024.

EXECUTIVE DIRECTOR CORNER

I am happy to report that our IL community scored the highest in resident survey results over all Waltonwood Independent Communities. In addition, we received the Holleran Choice Community Award for placing top of the benchmark of Life Plan Communities across the nation! We are very proud to be part of an amazing community and want to continue to reach the bar higher. Our focus based on feedback will be on your dining experience and transportation. We are in the process of creating improvement focus plans with specific goals to work on throughout the year, more great things to come! ~ Angie
