## Online Reviews for Reprint

*Becky L. – Our 102 year old father came to Fair Oaks after he'd fallen, broken his femur. We experienced patience, care, and expertise throughout our stay. It was such a confusing time for all but the staff always took time to answer our many questions and address our worries. Nurses, nursing assistants, and especially the PT's were tender knowledgeable... and sometimes provided us all with much needed laughs. Congratulations to all of you who make Fair Oaks such a positive place in such a hard time. Thank you all, from the bottom of my heart.*

## National Skilled Nursing Care Week

The 2024 theme for National Skilled Nursing Care Week (NSNCW), **Radiant Memories – A Tribute to the Golden Age of Radio**, is inspired by music, stories, and news that captivated audiences over the airwaves.

*Radiant Memories* is more than just a nod to nostalgia; it serves to honor the lasting impact of skilled nursing care centers. Places where both residents and staff play a significant role in crafting long-lasting memories together.

**Now and through May 12-18, 2024, families, residents, and staff are encouraged to collaborate and participate in activities that inspire “radiant memories” such as sharing travel adventures, childhood moments, and memorable**

**milestones reminiscent of the radio broadcasts of times past.**

**Get creative!** Write a short radio program and act it out with family and friends. **Plan some fun events** like listening to old radio broadcasts online with loved ones, hosting intergenerational trivia night, or playing radio-themed bingo. **Make radiant memories** and celebrate together by attending outings, activities, and meals with loved ones.

*Established by the American Health Care Association (AHCA) in 1967, NSNCW, formerly known as National Nursing Home Week recognizes the role of skilled nursing care centers in caring for America’s seniors and individuals with disabilities.*

## Thank You Nurses!

**During National Nurses Week, May 6 – 12, our community staff extends a heartfelt appreciation to our nurses, who tirelessly dedicate themselves to provide healing and care to our residents.**
