## GOOGLE 5 STAR REVIEWS

*I've been fortunate to have Transitions at Home-West to care for me for going on 2 years now, for everything from a broken arm to a history of falls. Everyone, and I DO mean everyone, on the Transitions team - from the receptionist to PT, OT, Nursing staff (thanks, Jessica!), and the staff that comes by to help with cleaning, have been exceptional. They even called me during the last bad weather event to see if they could be of any help. I recommend Transitions at Home-West without hesitation to anyone that needs home care. This team of workers care for their patients on a personal level, and that's something that's hard to find these days. I give them the highest score possible! Thanks, Transitions you're very much appreciated.*
