We are excited to share that we have added our first Certified Occupational Therapy Assistant to our North Branch team! Amber also joined our team in March and has made it possible to expand and increase our Occupational Therapy services. Working along with Courtney, OT, Amber works along with patients and teaches them skills to support independence and perform everyday tasks more easily and with less pain. Amber’s hobbies include plants, painting, and going for walks. You’ve made such a great addition to our team, Amber!

Lisa joined our team as a Caregiver on 3/13/2024. Lisa is a caregiver for individuals living in Prairie Farm and surrounding areas. She has a passion for helping others and ensuring they are safe and get the care they need to support their independence while living at home. In her free time and in true Wisconsin-style, Lisa enjoys snowmobiling and ice fishing. We’re so happy you’ve joined our team, Lisa!
