

For more than a century, Ebenezer has empowered older adults to lead healthier, more vibrant lives. Since our first facility opened in 1917, we have committed ourselves to provide a unique standard of care and quality of experience to all our residents and their families.

Ebenezer translates from the Hebrew phrase “stone of help,” our guiding principle is to sustain exceptional care and programming at our facilities to ensure we uphold the Ebenezer Promise, and to enhance the range of services we offer at every property we touch.

#### **MISSION**

#### **VALUES**

Prioritizes treating every resident and family member with the dignity and respect they deserve.

#### **OUR WORK**

The Ebenezer Foundation serves as the philanthropic liaison between Ebenezer Senior Living and our generous family of donors.
