

## **Website Accessibility Statement**

At Avenue5, it is important that all individuals, including persons with disabilities, have access to [our Avenue5 Residential corporate website](#) and the websites for our managed properties. We endeavor to observe the World Wide Web Consortium Web Content Accessibility Guidelines 2.0 Levels A and AA for website accessibility. Additionally, we also work with accessibility and usability consultants to establish proper website functioning and make necessary modifications on an ongoing basis.

Should you have any difficulties accessing or navigating our website content, or need assistance with accessing information on our services via our website, please call us at 833.391.0247 or contact us by email at [accessibility@avenue5.com](mailto:accessibility@avenue5.com).
