HELLO

JUNE!

Letter from Executive Director

Dear Arcadia Residents, Family & Friends,

It is my sincere wishes that this letter finds you all well and in good spirits. I cannot believe we are almost halfway through 2024. Time flies by when you are having fun and surrounded by amazing people.

June is National Dairy Month. National Dairy Month is a great way to start the summer off with some nutrient rich dairy foods. Ice cream, cheese, and frozen yogurt to name just a few. Keep an eye out for our fundraiser happening on June 21st as we celebrate the longest day of the year. We have a full calendar this month and I hope that everyone takes advantage of it and participates. This year we will partner with locally owned and operated Grant Farms to be able to provide you with fresh fruits and vegetables as soon as they come into season. June is the perfect month to really enjoy some of our fabulous outdoor spaces.

Please remember to nominate your favorite staff for the Arcadia Ambassador Program as June closes out the second quarter of the year.

“Wonder what it would be like to live in a world where it was always June?” -L.M. Montgomery.

Thanks,
Candie Gray, Executive Director

Resident Spotlight

Deanna Boswell

My name is Deanna Boswell. I have been a resident at Arcadia for over a year now. I was born and raised in Sikeston, Missouri. I had a wonderful childhood with a loving mother and father. I graduated from Sikeston High School in 1959. I met the love of my life while I was a senior in high school and I married him the following year. We were married for 62 years before he passed away in 2021. I had my first child in 1960 and about that same time, our family moved from a small town to the big city of St. Louis, Missouri. My husband got a job with General Motors. In the next few years, I had two more sons and my husband and I raised our family in St. Louis. In 1980 the Corvette plant, where my husband worked, was relocated to Bowling Green, KY. My entire family moved with that plant and I have lived in Bowling Green ever since. My Husband retired from GM in 1991. He was the love of my life and we had a perfect life together. I have watched my three sons grow up into fine men. Then I got to watch my six grandchildren grow up into fine, young adults. Now I have the pleasure of watching my five great grandchildren as they grow. I love living at Arcadia and I would not want to be anywhere else. I have made some good friends and feel very at home here. All the staff have been exceptional in how they treat and take care of me.
