FRIENDS & FAMILY REFERRAL PROGRAM!

Employee Spotlight- Fatima Berry

Hi I'm Fatima! I am very happily single, and I love exercise, particularly soccer! If you see me, ask about my favorite soccer team. I tell you who they are, but only if they are winning! I was approached to do care giving when I was 18, but I declined it because I did not think I could do it. But after a while, I decided to try it and turns out that I love it! I really enjoy working individually with each resident to get their needs met and making them smile each day. I also enjoy working collaboratively with the resident care team to create a safe and comfortable place for all of our residents. I am very happy to be part of this team.

Alzheimer's and Brain Awareness Month

June is Alzheimer's and Brain Awareness Month, an annual observance raising awareness on Alzheimer's disease and other dementias. For years the Waltonwood family has partnered with the Alzheimer's Association to support the mission of a world without Alzheimer's and other dementias. While there still may not be a cure, taking proactive steps and developing healthy lifestyle habits have been shown to slow the onset of the disease and delay its debilitating effects. Much like heart health, cognitive health can benefit greatly from increasing physical activity and exercise, eating a well-balanced nutrient rich diet and effectively managing stress. It's never too early or too late to start taking better care of ourselves and small changes today can help lead to healthy years to come.

With Memorial Day in the books, we can officially say "summer is here." Summertime in Michigan is one of my favorite seasons of all. Personally, I enjoy being outside as much as I can to soak in the beautiful sunshine! Activities like golf, biking, grilling, being on my boat, and even lounging by the pool are some of my favorite things to do. I encourage everyone to get outside this summer, and take advantage of our beautiful Michigan weather!

Here at Waltonwood, we are looking forward to a few summer events we have planned for our residents, staff, and families. In the week leading into Father's Day weekend, we are arranging a community BBQ to celebrate all of our amazing Father's in the community! On June 21st, we are hosting our 3rd annual Camp Waltonwood. For many of you who have not experienced this event, this is an event for everyone apart of our Waltonwood family to enjoy. Our theme this year is "Olympics" with the summer Olympics 2024 being in Paris, France! More information to come as we get closer to the date.
