### Laundry Reminder:

If you purchase clothing for a loved one, it is very important that laundry labels the clothing with the resident's name. Please bag the new item up and put a tag on it "to be labeled" with the resident's name. Give the bag to the receptionist and she will place it in the bin. Any questions, please ask a staff member.

# Employees of the Month

## **Claudia T., Activity Assistant.**

My name is Claudia Marcella Temby. My two sisters and I were adopted together by two awesome parents in 1989. I've lived in Mount Horeb ever since. After high school, I got an associates degree in child care and development. I worked in daycares for a few years. I then worked at an assisted living place for a little while. Then I finally came here. I first started in housekeeping and then moved to activities. On July 1st, it will be 10 years that I have worked here. I'm so thankful for all of this.

**Erin P., Resident Assistant.** Hi, my name is Erin Pauley, I prefer she/her pronouns, and I'm 23 years old. I've been working at Ingleside for three months now and I can tell already from my short time here that I will be staying for quite awhile. I have found myself feeling very at home here thanks to the professionalism and kindness of my fellow team members. I decided recently that I would like to start my journey towards becoming a nurse and Ingleside has proven the perfect place to start. I live near Ingleside with my loving girlfriend, Jade. We have a wonderful dog named Lena, who enjoys coming into visit her friends in Inglehaven. We also have a very sweet ball python named Pumkin Pie and a mouse named Duvo, who prefer their own company. In my free time I like to play guitar, learn about game development, paint, and read. I like exploring new hobbies and talking with residents and the more experienced staff to learn and have new experiences as often as I can. I did not expect to love working in healthcare as much as I do when I first started, I wanted to try something new to broaden my horizons but was intimidated by the responsibilities that come with being a caretaker. The kind and wise words of the residents I get to work with on a daily basis as well as the staff members around me that always demonstrate such dedication and love for the residents they care for has eased that intimidation and truly given me a fantastic place to learn and grow for the near future. I'm grateful for the nomination as employee of the month and am looking forward to continuing to push myself to improve and work hard to deserve this nomination. Thank you.

If you are looking to donate a specific item, we have an amazon wish list:

## Get active in the outdoors

During National Great Outdoors Month, there are numerous events and activities that take place throughout the country. Whether a lunchtime cookout, sitting on the porch in a rocker, or even a simple walk in the park, enjoy the wonders of the great open air. The best way to start celebrating is by making a list of fun things to do outside.

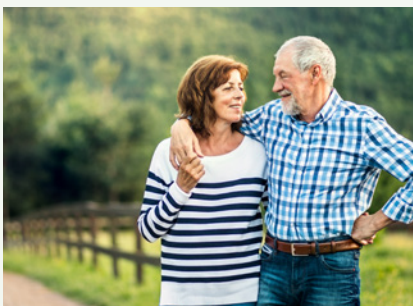

### Try some of these light activities:

- Practice yoga or light stretching on the lawn
- Visit a local park to birdwatch or fly a kite
- Take a walk with a friend
- Tend to a flower box, herb or vegetable garden.
- Play chess or cards on the porch or enjoy lawn games
- Read or enjoy a rocking chair leisurely in the sun
- Host or attend an outdoor cookout, lunch or picnic
- Visit a local zoo, park or nature preserve

### Feeling more ambitious?

#### Try these activities:

- Go fishing or golfing
- Go for a swim in an outdoor pool or lake
- Go boating or kayaking,
- Go for light to moderate hike with friends

# Word Search

Find and circle the 20 words listed. The words are hidden diagonally, across, and up and down. All words are forward-reading. Good luck!
