## Get active in the outdoors

During National Great Outdoors Month, there are numerous events and activities that take place throughout the country. Whether a lunchtime cookout, sitting on the porch in a rocker, or even a simple walk in the park, enjoy the wonders of the great open air. The best way to start celebrating is by making a list of fun things to do outside.

### Try some of these light activities:

- Practice yoga or light stretching on the lawn
- Visit a local park to birdwatch or fly a kite
- Take a walk with a friend
- Tend to a flower box, herb or vegetable garden.
- Play chess or cards on the porch or enjoy lawn games
- Read or enjoy a rocking chair leisurely in the sun
- Host or attend an outdoor cookout, lunch or picnic
- Visit a local zoo, park or nature preserve
