

July is National Culinary Arts Month!

Tim Green
Dining Services Director

Tim is a friendly, familiar face around the Lodge! He's actively involved with the resident food committee, leading cooking clubs, and creating delicious meals for our holiday and event celebrations!

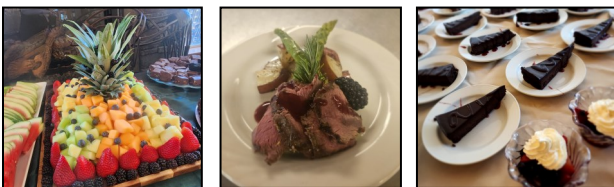

Tim has been in the culinary world for more than 30 years. He got his start at age 13 working in his father's restaurants and bars in Chicago. He attended the Art Institute's Culinary School in Denver and spent much of his career working in fine dining and country clubs.

Tim said entering the healthcare field helped him rediscover his passion for what he was cooking and who he was cooking for.

Baking, pastries, and seafood are his favorite things to cook.

In his free time, Tim enjoys fly fishing, camping, and being outdoors.

We're so glad to have Tim and his talents in our kitchen!

June was a month full of wonderful times spent on the patio, enjoying music and events, and going for some fun outings!

A Note from the Executive Director

Ralph Scarano
Executive Director

Happy July!

We are in the heart of summer now; we have dodged the snowflakes of June and look forward to much warmer weather. With the 4th of July upon us, we will be having a special BBQ to mark the occasion.

Also, on the agenda this month is a picnic at Headwaters State Park and a Classic Car Show.

I would also like to take this time to thank you all for your patience as we look forward to completion of construction currently taking place in our dining area.

Have a wonderful month and we look forward to seeing you all at the Lodge!

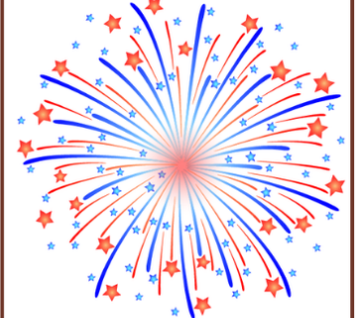

HAPPY Birthday
