

Staff Spotlight

~ ABOUT ME ~

Gina Morse

My name is Gina, I was recently hired here at York Gardens and I will be running the Bistro. First of all, I would like to thank all the staff, residents, and families for being so kind and welcoming while I am new! I am so excited to be a part of this amazing community; most of all, I am really looking forward to sharing good food with everyone.

I enjoy both baking and cooking and try to make food from all over the world. I love art as well, specializing in all sorts of media- but I really like to paint. I was born in Saint Paul, have lived there my whole life and recently turned 26 in May.

I look forward to learning more about everyone- always feel free to visit me at the Bistro!

A Note from Pastor Kwanza Yu, Chaplain

Preparing for summer:

It is summertime and seeds are growing. Little sprouts and long vines appear, flowers are turning into fruits, and the yards and fields are alive with green. It is amazing how those seeds, which look like nothing, contain in them the mystery of the mature plant. .

While seeds hurry along in their task of growth and the sun pours out its rays, most people slow down. The academic year pauses; millions of children, no longer in classrooms, are running around houses and through the parks. We do relax during summer. Yet Jesus doesn't relax. During summer the Sunday readings call us each week to follow Christ's ministry; Jesus preaches, heals, and he performs miracles. The liturgical color of this season of Pentecost is *green* because it symbolizes growth in Christ. Summer is a teaching time, a growing time in the life of church. Summertime is a good time for growing. Jesus invites us to grow in faith as God's people.

Sunday Services with Holy Communion at 10:00 am:

July 7th, 14th, 21st, & 28th in the Theater.

Note that there will be NO Bible Study in July & August:
