

NEW ASSOCIATE ALERT

Help to welcome our new memory care life enrichment manager, Mallory Bryant! Mallory is new to our cherry hill community but not new to the Waltonwood family. Mallory worked at the Waltonwood of Twelve Oaks for two and a half years in the assisted living and memory care community. Mallory is very excited to get to know our MC residents and to provide meaningful life enrichment programs.

A little bit about Mallory: She grew up in Dearborn, Michigan and attended college at Central Michigan University where she studied Recreational Therapy. Upon graduation, Mallory secured her internship at the Clark Retirement Community in Grand Rapids, which is where her passion for working with older adults all started. Outside of work, some of her interest include, spending time in nature, playing with her dog poppy, partaking in a craft club where she is learning how to embroider, and much more.

One of Mallory's proudest achievements is obtaining her certification to become a Certified Dementia Practitioner. With this certification, Mallory has learned many different techniques on how to better care for those living with dementia. Getting to know the residents has been such a wonderful adventure for her so far and she is very eager to become acquainted with their family, friends, and loved ones. Thank you for taking the time to get to know Mallory a little better. She looks forward to connecting with you all!

UPCOMING EVENT HIGHLIGHT

July will be a very fun filled month with many things to celebrate. We will kick things off with Independence Day where we will sing patriotic music, enjoy yummy treats and of course, celebrate our great nation. Up next, our kindness council will be getting together to support our local animal shelter by making warm and cozy tie blankets for the animals to sleep on. After that we will be celebrating Christmas in July where we will be making a melted snowman craft, singing our favorite holly jolly tunes, and throwing a "Hula Days" party. Up next, we have our annual Waltonwood golf outing- if you are interested in participating, please let Mallory know so we can sign you up! Soon after, we will be hosting a family night where all are welcomed to join for a fun evening with our trivia mania event. We will continue celebrating with our gorgeous grandma day event that will include a glamorous classical fairytale themed runway show for our ladies to walk down with their grandkids. To end the month off, we will be hosting our memorial service to remember our beloved residents who have passed away.

There is so much to enjoy in the jolly month of July! ✨

Erica

Thank you, Erica, for all you do here at Waltonwood Cherry Hill! Erica is a part of the resident care team as a caregiver. She has been a wonderful addition with her kind demeanor and positive attitude. Erica is always willing jump in and help with whatever she can. We are so thankful to have her as a part of our team!

JUNE HIGHLIGHTS

10 Bird House Craft

We had a wonderful time painting our bird houses and discussing which bird was our favorite.

15 Father's Day brunch celebration

Our Father's Day brunch was full of great food, cars, and of course, celebrating the unforgettable men in our lives.

19 Ice tea Social

On this day, we cooled off with some refreshing iced tea and a sweet treat. We even mixed in lemonade to make an Arnold palmer!

29 Camp Waltonwood

We leveled up during our annual camp Waltonwood event with fun and exciting games like whack-a-mole and Wii bowling

FOREVER FIT: Health in the Heat

While healthy hydration habits are important year-round, they become essential during the summer months when the heat and humidity can reach dangerous levels. As we age the water content in our bodies naturally decreases, our sensation of thirst diminishes and the side effects certain medications can greatly increase the risk for serious dehydration in seniors. Making small, subtle changes can greatly improve our ability to adapt and help our bodies better tolerate the summer heat. Having fluids nearby to drink throughout the day, avoiding strenuous outdoor activities during the peak hours of the afternoon and wearing appropriate clothing that allows for good circulation, you can help cut down on dehydration and keep us feeling comfortable and safe on the hottest summer days.
