DETROIT CENTRAL STATION TOUR

The Michigan Central, a first-of-its-kind ecosystem combining Detroit's rich history and its commitment to shaping the future of transportation worldwide. Anchored by a vibrant and inclusive 30-acre campus, this growing community serves as a powerful convening place and real-world test bed to build the urban transportation solutions that advance a more sustainable, equitable future. Featuring a state-of-the-art mobility hub, retail, multiple outdoor plazas, and 1.2 million square feet of commercial public space, Michigan Central aims to attract local and global visitors alike, spur economic development and jobs, and organize investment in new technologies.

Most well-known as the home of Michigan Central Station, the Michigan Central campus is much more than the revitalization of a historic building; They are reimagining the very concept of mobility for the 21st century.

Of course, we have our annual Gorgeous Grandma Day to look forward too on July 23rd @ 2pm. This day embraces the age of the nana and encourages all women to flaunt their granny attitudes with purpose and style. Alice Solomon re-entered the working world after her graduation from Wellesley College cum laude at the age of fifty. Alice Solomon created Gorgeous Grandma Day in 1984 to honor women of a certain age, whether they were grandmothers or not. It's a time to recognize their accomplishments and their abilities.

A few other events to look forward to: July 26th, we're having Christmas in July Happy Hour w/ Violinist Sandor and July 31st we're visiting Side Tracks Restaurant @ 12pm! Along with many other outings and events on your calendar!

JUNE HIGHLIGHTS

15th Fathers Day Brunch:

This Father's Day brunch was a success with our car themed décor and model car show. Our very own Chef Joel brought in his amazing personal collection of model cars that he handpainted and assembled himself! We also sent all of our male residents home with a new car of their own 😊 (a hotwheels of course)

18th Livonia Civic Art Show:

This outing was so wonderful and meaningful to me. I want to thank each and every one of you who were able to come and see my artwork and for all the sweet comments you gave me. Another huge thank you and apology for all those who wanted to come but couldn't make it out there in time. I'm so happy I got to share such a cool moment with you all, witnessing my first ever solo art exhibit!. This was also the largest group for an outing I've seen with a full bus!! For that I truly thank you and am very grateful for such supportive residents. -Becca

FOREVER FIT

Health in the Heat: While healthy hydration habits are important year-round, they become essential during the summer months when the heat and humidity can reach dangerous levels. As we age the water content in our bodies naturally decreases, our sensation of thirst diminishes and the side effects certain medications can greatly increase the risk for serious dehydration in seniors. Making small, subtle changes can greatly improve our ability to adapt and help our bodies better tolerate the summer heat. Having fluids nearby to drink throughout the day, avoiding strenuous outdoor activities during the peak hours of the afternoon and wearing appropriate clothing that allows for good circulation, you can help cut down on dehydration and keep us feeling comfortable and safe on the hottest summer days.

TRANSPORTATION INFORMATION

Transportation requests for personal needs must be received a minimum of 48 hours ahead of time. Please see the front desk receptionist to make your request. A driver will follow up to confirm if your request can be accommodated. There will be an additional charge for anything over 10 miles. Independent Living has priority over transports on Mondays, Wednesdays, and Fridays. Memory Care and Assisted Living have priority over transports on Tuesdays and Thursdays.

PET ADOPTION MARKETING EVENT / DONATIONS CONTINUE!

Thank you so much for all the donations we have already received thus far from June for the shelter and to those who have also donated their time by participating in our pet crafts last month. Reminder that in August this year we will be teaming up with Huron Valley Humane Society to try and help more animals get adopted for "clear the shelter day" on August 17th. Anyone here at Waltonwood can help too by donating pet items needed for the shelters to our donation box at the front desk throughout this month or by participating in our continued pet crafts this month that we will also donate when finished making. We have planned a trip to the Humane Society July 2nd to drop off donations in person and we would love for you to join us. Sign up in the Post Office if you are interested.
