## Letter from Executive Director

Dear Friends,

I am very excited to join the RobinBrooke community as the Executive Director. Everyone has made me feel so welcome which I appreciate very much. It has been a pleasure this past month meeting many of you and getting to know you. It is great hearing your life stories and I love seeing the photographs many of you have displayed outside of your apartment. Our past makes us the person we are today and we are always changing over the years even if just a little bit at a time.

I have been very impressed with the team. The level of professionalism and customer service in every department that I have observed is amazing. I feel blessed to join this team.

Thank you so much for being patient with me as I learn names and routines here and settle into my role. I believe in living life to its fullest and want to plan lots of fun events for everyone who lives and works at RobinBrooke.

If I have not met you please stop by and say hi!

Crystal Hamilton  
Executive Director

## Resident Spotlight

**Willow Dean (Hall) Bloyd** was born on January 10, 1936 (88 years old) in Green County, KY, to Arvin Hazel Hall and Nora Ethyl (Skaggs) Hall. She had two sisters and one brother. She has five children, eleven grandchildren, and six great grandchildren.

Willow worked at Walmart for 40 years and retired at the “young” age of 86. She was one of the most charismatic employees Walmart has ever seen. Customers, and vendors alike, would seek her out on their weekly shopping trips just to talk to her. She still visits there each week to shop and visit her former coworkers.

She’s been a member of Severns Valley Baptist Church for over three decades. She reads her Bible daily and each night you can find her on her knees praying before bed. Even though she no longer drives, she still watches church on TV weekly.

You can often find her at the American Legion on Friday nights listening to live music and dancing. She didn’t learn to dance until she was well into her fifties, and if she has the chance, she is listening to her favorite song, Wagon Wheel, by Darius Rucker.

Willow loves fashion. She enjoys matching her outfits and jewelry every day. Despite her tiny frame, she loves to eat – especially ice cream. She enjoys walking, playing Bingo, and spending time with her friends and family.

If you have the chance, stop by and visit Willow at RobinBrooke. She loves to socialize!

## Family Night
