Letter from Executive Director

Dear Residents & Families,

The dog days of summer are upon us here at The Lakes. With the temperatures soaring into the 90s almost everyday for the last month I know I speak for many when I say, bring on the Fall!

Please welcome our new maintenance director, Joseph Medina, to our Lakes family. Joseph brings many years of experience in maintenance and a fun-loving energy to our community. Born and raised in Chicago, IL he brought his family to the area to embrace a slower lifestyle. His passion is serving the elderly, and he strives to enrich all your lives by taking care of any maintenance requests that you have in a timely manner. Please put in any work orders you may have with the concierge, Peggy.

Please also give a big Lakes Welcome to our new Culinary Specialists, Randy and Terry. Both gentlemen bring over 16 years combined culinary experience to our Blue Lakes Bistro. They both have a passion for baking and hope to tantalize your taste buds with their desserts.

Leslie & Regina have been working hard to plan several fun events for the month of July. We will have an "Ice Cream Flavor Blast" party on July 1st, Magic Show with Clay Howard on July 18th, trip to Purple Toad Winery on July 25th, Lunch at the Olive Garden on July 29th and so much more. Please plan to attend some of these fun activities!

As always, if you need anything, my door is always open.

Nominate an Arcadia Ambassador

The Arcadia Ambassador of the Quarter program acknowledges team members who demonstrate outstanding customer service, and exemplify the attributes of the Arcadia Way including Teamwork, Integrity, Accountability, Respect, and Safety. If you know an employee who you feel exemplifies each of these attributes, please see Peggy, our Concierge, for a nomination form. Then submit your nomination form to Samantha, our Executive Director, by the end of each quarter.

OUR PEOPLE ARE OUR MOST VALUABLE RESOURCE

Resident Spotlight

Our July resident spotlight is Mr. Arnost Placr. Mr. Placr is a very sweet, intelligent, and interesting individual. European born, Arnost was raised in Czechoslovakia. Mr. Placr worked an industrial job providing ultrasonic testing for products, most of which were metallic products. Arnost would be sure there were not any internal cracks or flaws. Arnost and his wife had one son, Peter. Arnost brought his family to the United States in 1981 in the pursuit of freedom. Mr. Placr has two grandchildren Caroline and Simon. He enjoys spending time with family, playing chess, being on his computer, and he enjoys reading. Arnost always has a smile on his face and is such a polite and nice man. We are so thankful to have him here at the Lakes.
