Letter from Executive Director

Hard to believe that July is already here. June came in and went with a flurry of activity and we had a wonderful time. But the summer is quickly moving along and so are we.

We will be celebrating America's birthday on Thursday, July 4th. Chef Jim will have the BBQ out and grill burgers and hot dogs, along with some homemade potato salad and all the fixings. Please come and join us. Make sure to let Ms. Mary know you are coming so we grill enough for everyone!

Just a quick reminder, if you need transportation to a doctor's appointment, please give us notice prior to the appointment. If possible, two weeks is preferred, but the sooner the better. Whomever gets their appointment to us first, gets that time slot. Remember that our bus travels to Milton, Pace, and to West Florida Hospital in Pensacola on Tuesdays and Thursdays only.

If you take a stroll on the path around our building, please take note of the vegetable garden that our Director of Life Enrichment, Hailie has planted. She has put a lot of effort into it and plants are really taking off.

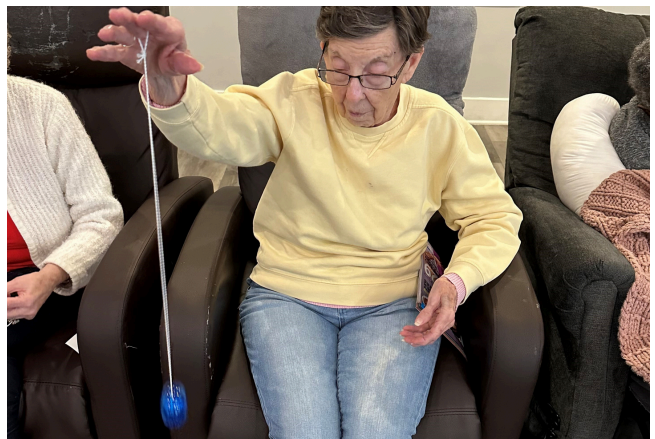

Please be sure to leave any suggestions you may have in the suggestion box located in The Shade. Sometimes you may notice something that we have overlooked. Maybe you have an idea for an activity or a meal suggestion. We may not be able to accommodate all the suggestions, but we would love to get your input.

As the community's Executive Director, I am honored to be a part of the exceptional care services provided every day by our dedicated staff. It is hard to believe but I have been with Arcadia for two years already. We have experienced many changes and grown quite a bit. I am immensely proud of this place we call home!

Sincerely,
Carol Ettelson

Keeping Up with the Arcadians

Resident Spotlight

Carolyn Simpson

Carolyn was born in Biloxi, Mississippi in 1940. Her mother had 9 children. Two siblings passed away very young so she had 6 siblings growing up: 4 brothers and 2 sisters, with her being the youngest. Carolyn lived in Biloxi until she got married to an Air Force man, named William Simpson. They met at a dance club where she went to dance regularly. They got married and were stationed in North Carolina until 1967. Later, they relocated and got stationed to Herbert field. From there her job moved her to Milton.

They have 3 children: 1 son, who was the oldest, and 2 daughters. They have 8 grandchildren and 4 great grandchildren. Carolyn lived in the Philippines 2 years and worked with her husband in the civil service. She worked with the civil service until she retired in 1995. There she had different jobs within the civil service but was with them for 30 years.

Carolyn's favorite hobbies include loving to cook, going to casinos, and taking her dog Sadie for long walks. She was a dancer in her younger years and spent a lot of time with her dad fishing. She loves to travel and has been to Thailand, Japan, Hong Kong, & Korea.

"Gnome on the Roam"

The Gnome is still "On the Roam!" Much like "Elf/Santa on the Shelf," we will be hiding this "Gnome" somewhere throughout the building each morning. It will not be in any personal bedrooms, bathrooms, or outside. If you so happen to find the "Gnome," pick it up and bring it to Chloe, Hailie, or the Concierge for a golden ticket! We will be hiding our "Gnome" for all holiday seasons! However, our Patriotic Gnome will be roaming through the end of July. The Gnome pictured to the left is the only gnome we will accept. Stay tuned for more "Gnome on the Roam" updates. Good luck everyone!
