## Resident of the Month

**Deloris Feldman: Resident of the Month**

Our August Resident of the Month is Deloris Feldman. When asked if she had been Resident of the Month before, she said, "I haven't, but my dog Mitsy was Dog of the Month!" Deloris was born in North Dakota near the Canadian border, "where it's cold and the wind blows all the time." Deloris is the third-eldest of 9 children. She lived in a little town, with both sets of grandparents close by. "I had a good, faithful family," she says. In high school, Deloris took shorthand, which led to a job in an office in Minneapolis. She ended up meeting her future husband, Joe, there. She was a file clerk and Joe was working part-time at a desk job while he finished college. They dated for 4 years and were married in 1950. Deloris and Joe had a son, 3 grandchildren, and 2 great-grandchildren.

After Deloris had her son, she became a homemaker. Her husband, Joe, worked for Goodyear, and his job took their family to many different places. They moved every 2-4 years, eventually settling in Diamond Springs, CA, in 1985. When her son was 10 years old, Deloris was able to return to work thanks to help from her wonderful mother-in-law. She worked at Aetna as a typist for 11 years. She retired after that and spent a lot of time volunteering at the Lutheran church. Deloris used to crochet, knit, and make quilts. Now, she likes to spend time using her iPad to look at photos and keep in touch with family.

Deloris has lived at Ponte Palmero for 13 years. She says it's been a nice place to live. Her favorite part of living at Ponte is the opportunity to meet a lot of nice people. Deloris has a great motto: "Your attitude has a lot to do with your whole life. If you can't change it, just go with the flow."
