Welcome to the Team!

Samantha “Sam” started as Transitions at Home – North’s Intake Coordinator on August 19th! If you call our office directly, it is likely that you will speak to Sam! As an Intake Coordinator, Sam completes many tasks for our agency, including processing patient referrals; ensuring our medical records are compliant; communicating with our clinicians, providers, patients; and more! Sam grew up in Wisconsin on a farm and now resides in Rice Lake. She enjoys gardening, trout fishing, and bow hunting. She has a passion for health care and recently earned a degree in Health and Human Services. If you haven’t had a chance to meet Sam yet, say “hello” next time you call us or stop by the office! We are so happy to have her join our team!
