2024 DONOR APPRECIATION ISSUE

PUZZLE PIECES COMING INTO PLACE

Like fitting together the pieces of a jigsaw puzzle, the renovation of Cassels Healthcare Center at The Columbia Presbyterian Community has been a work in process for more than a year. It is with great excitement that the residents, families and staff of Columbia are seeing this long process come to its conclusion.

Originally opened in 1991 as a 22-bed addition to the Columbia Community, the William Tobin Cassels Healthcare Center has served both the short-term rehabilitation and the long-term care needs of hundreds – perhaps thousands – of residents and their families. Initial gifts from the Cassels family, employees of Southeastern Freight Lines made in memory of Mr. Cassels, and numerous other generous donors made the initial construction possible. Since that time, PCSC has been deeply honored to provide high-quality healthcare and rehabilitation in the facilities made possible by those initial gifts as well as more recent gifts.

In 1988, Paul Taylor (right) presented a check for \$40,100 to PCSC President Ronald Crossley from employees of Southeastern Freight Lines in memory of William T. Cassels, in whose memory the Columbia Healthcare Center would be named. William T. Cassels, Jr., chair of the Southeastern Freight Lines board, is on the left.

As this article is being written, the staff and residents of the community are waiting with bated breath for the final inspection by the South Carolina Department of Health and Environmental Control (DHEC) that will allow them to use the newly renovated dining room, sitting room, activities room, shower room and nurses station. What an exciting completion to a project that will serve residents and their families for many years to come!

VOLUNTEERS: A UNIQUE KIND OF DONOR

With this special, “Donor Appreciation Issue” of *Community Connections*, Presbyterian Communities spotlights the indispensable role donors play in helping advance its mission to serve seniors. I cannot overstate how touched I am by both the number of financial contributions made and the size of many of the gifts received. PCSC would not exist without the individuals and churches that gave generously to form this ministry in the 1950’s, and who continue to support it today. PCSC continues to be shaped and enhanced by the ongoing love of older adults expressed through today’s financial donors.

But there is another group of donors who need to be lifted up and thanked, as well. These are our volunteers. PCSC and its residents are so blessed by the many

**VOLUNTEERS
APPRECIATED**

volunteers who add their own special expression of love to life on our campuses. Some volunteers bring their gifts of love and care on a weekly or monthly basis, while some seem to be on campus almost every day. Volunteers can be seen singing and reading with residents, helping staff lead activities, giving manicures, and doing many other things. To be honest, there have been times when I’ve seen a volunteer so regularly that I’ve initially assumed they were a resident or a staff member! You may also be surprised to know that a number of our residents themselves serve as volunteers in various capacities.

No less important are the groups who assist with special events like an afternoon ladies’ tea, a Father’s Day fish fry, or a musical performance. Other groups provide special acts of service, such as decorating Christmas trees around campus. Many, but not all, of these groups come from churches, such as Presbyterian Women circles, youth groups, and children’s choirs.

Why do these volunteers do what they do? First and foremost, they care deeply about the residents. But it’s clear they are also receiving something in return. They find spending time with our residents deeply gratifying as they form close relationships, feel appreciated, and learn from those they serve.

For all who volunteer at one of our campuses, thank you! Thank you for bringing your time, energy, gifts, and love for our residents to make Presbyterian Communities a more complete and wonderful place to live!

If you or your group are interested in volunteering, please contact the Life Enrichment Director or Executive Director at the community of your choice.

Reverend Dr. Franklin Fant
President and CEO

The PCSC Foundation is a 501(c)(3) tax-exempt, non-profit organization that receives and manages charitable gifts given to support the mission and ministry of Presbyterian Communities of South Carolina (PCSC). THE LESSON OF SHARING

Over these last months I have had the joy of getting to know my youngest great-niece. She is a bundle of energy who enjoys playing with and being spoiled by Uncle Bill. As she approaches her first birthday, I am also seeing the effects of teething, struggling to take those first steps, and learning to talk.

One of the first words my great-niece has learned – and every other baby learns – is “MINE.” Going from that desire to possess everything around them to learning to share is a challenge from infancy to adolescence, and even into adulthood. But why should we share? Why shouldn’t we hold on tight to everything around us, not allowing others to get any of what is MINE?

Scripture reminds us in Hebrews 13:16, “And do not forget to do good and to share with others, for with such sacrifices God is pleased.”

In this issue of *Community Connections*, we honor those who have taken this scripture to heart and have learned the lesson of sharing. We give thanks for residents, families and friends of PCSC who in this last year have given financial gifts to assure that the ministry of PCSC continues into the future. In the same way that generous South Carolinians from the 1950s through the first decades of this century gave sacrificially to build and create Presbyterian Communities of South Carolina, so now do generous individuals, congregations and families give to assure the future.

Have you considered making a gift to the Mother’s Day Offering (it’s not too late), providing financial support for a specific project or community, or establishing a planned gift through your estate, charitable trust or other vehicle? We would be honored to talk with you about your thoughtful wishes. Thank you for considering supporting this vital ministry serving senior adults of all faiths.

And to all who have made gifts to PCSC in any way at any time, whether through the Mother’s Day Offering, Annual Giving, a memorial gift, a planned gift, or as a volunteer in support of a particular project or community, we say a heart-felt **Thank You**. Your gifts support the care we are honored to provide and the home we are honored to help create and sustain.

MEET DANIEL MAJOR, DIRECTOR OF FACILITIES MANAGEMENT

PCSC is pleased to welcome Daniel Major to the Management Services Office team as Director of Facilities Management. In this new role, Daniel will work with all the communities and the CEO to optimize the effectiveness and efficiency of our physical facilities in service to our mission.

Daniel comes to PCSC with a 20-year career in facilities management, during which he has worked for Sodexo as Project Manager, Associate Director, and Director of Facilities at college campuses. Subsequently, he has worked for Sodexo in regional and national roles, providing oversight of facilities contracts in Canada and serving as a subject matter expert in the U.S. More recently, he served as Director of Integrated Facilities Management for Hensel Phelps with national responsibilities.

A native of Prosperity, SC, Daniel holds a Bachelor of Science in Facilities and Property Management from Brigham Young University, where he played football for legendary Hall of Fame coach, LaVell Edwards. He also holds a Master of Business Administration from the University of South Carolina.

On his arrival at PCSC, Daniel commented, “I am thrilled to join this remarkable organization. As a new member of the leadership team, I am grateful for the opportunity to contribute to our mission of providing the highest quality and most compassionate care to those we serve. It is my belief that together, we can achieve great things and make a positive impact on the lives of others.”

President and CEO Franklin Fant added, “I am very excited to have Daniel joining our ministry and believe that he is going to bring tremendous value to PCSC, both by supporting our team in decision-making and in enhancing the state of our buildings and major equipment over time.”

Daniel and his spouse, Darla, are the proud parents of three teenage children, one dog, two cats and 22 chickens! When not working or at one of the many sporting events with his kids, he spends his free time restoring a classic 1972 Datsun 240Z.

Welcome to the PCSC team, Daniel.

EMILY EATON RECEIVES ACTIVITY PROFESSIONAL CERTIFICATION

PCSC congratulates Emily Eaton, Foothills Retirement Community’s Healthcare Life Enrichment Coordinator, for receiving her Activity Director Certified credential through the National Certification Council for Activity Professionals. Earning this credential required completion of classes, tests and an exam to demonstrate Emily’s competence to lead high-quality and regulatory-compliant Life Enrichment programs. Congratulations on this accomplishment!

COLUMBIA COMMUNITY WELCOMES NEW EXECUTIVE DIRECTOR

In a true example of returning home, the Columbia Community was pleased to welcome Meredith Hughes as its new Executive Director, effective August 19. A native of Columbia, Meredith comes to the Columbia campus after having served as Executive Director of the Florence Presbyterian Community since April 2020. Prior to her leadership in Florence, Meredith served as Director of Memory Support for the Columbia Community.

Meredith has been a member of the PCSC staff for a total of eight years. Mandy Stamper, Chief Operating Officer of PCSC commented, “Meredith’s record, vision and dedication to enhancing the Florence community are attributes that will undoubtedly contribute to our continued success. Her deep roots in our community and her commitment to our shared values make her an excellent choice for this role.”

As a search begins for a new leader for the Florence Community, Mandy Stamper will serve as its Interim Executive Director.

SUMMERVILLE COMMUNITY EARNS SPECIAL RECOGNITION

At its May awards banquet, the Summerville Mayor’s Committee presented its **Employer of the Year Award** to The Village at Summerville.

The committee, organized to support monetary scholarships for education and training of students with disabilities, recognized The Village for its support of vocational rehabilitation in hiring within its culinary services department. Mark Hammel, Director of Culinary Services for The Village, accepted the award on behalf of the community.

The Mayor’s Committee recognized Mark and The Village for helping those with whom they work to reach their potential, and “consistently helping to carve out the best fit for employees working at The Village and supporting those interested in advancement by providing training and mentorship.”

Congratulations to Mark, Executive Director Elizabeth King, and The Village for this important recognition.

A LEGACY OF CARING BEGINNING IN BIBLICAL TIMES

When King David knew that his reign was nearing its end, he wrote specific instructions for what Solomon should do to honor his father's legacy. David's instructions in I Chronicles 28:11-21 contain what many refer to as the first recorded Estate Plan. David made a detailed plan and passed it along to Solomon for him to complete.

Some charitable gifts to Presbyterian Communities of South Carolina are made from joyful and generous spontaneity. Others, like David's gift to Solomon, are made after careful thought, prayer and planning.

Among the gifts in this second category are those that come to PCSC after the donor's life: gifts made through a will, a trust, an IRA, a life insurance policy or other means. These kinds of gifts, by which one leaves an intentional legacy of caring, are commonly referred to as planned gifts. They typically involve some degree of extra "planning ahead."

Some planned gifts are easy to make. For instance, it is simple to make PCSC Foundation the beneficiary of a life insurance policy or an IRA. All that is needed is to fill out a form provided by the insurance company or financial institution. Other planned gifts, like charitable gift annuities and remainder trusts may require the services of a financial planner or attorney.

PCSC appreciates and values deeply every gift received; but planned gifts are particularly meaningful simply because they often represent the lion's share of contributions received in any given year. Many of these gifts have come from former residents who wanted the life they enjoyed in Presbyterian Communities to continue for those who will follow in future generations.

Would you consider being one of those who leave an intentional legacy of caring for seniors? If you would like more information, please contact Bill McConnell, Director of Foundation Services and Church Relations, at (803) 365-0844 or email him at william.mcconnell@prescomm.org. You may also return the envelope enclosed in this newsletter and check the box requesting information about estate planning. Other information is available online at prescomm.plannedgiving.org.

VILLAGE RESIDENTS COME TOGETHER TO FUND NEW ORGAN

In early 2024, several Summerville residents whose careers had been as professional church musicians began discussing the needs of their chapel. Quickly, the conversation turned to the chapel organ. This instrument, a small pipe organ installed in the early to mid-1960s, was nearing the end of its useful life. The instrument, built by the Moeller Company, was originally designed for organ teaching studios or living room installations. It was never intended to lead congregational song in a setting like The Village's chapel.

After more discussion, Summerville resident Ed LeRoy contacted a local Allen Organ dealer who had a gently used, high quality Allen digital instrument on his showroom floor. Further conversations between Ed and fellow residents Porter Remington and Martha Scharnitzky, along with representatives of PCSC and the Village's chaplain, Rev. Dr. Stephen Wilkins, brought a consensus that *now* was the time to make a change.

Armed with lead gifts from several residents covering more than half of the expense and a commitment from

PCSC for additional funding to help with installation costs, residents of The Village began to promote the idea of a new organ and encourage their fellow residents to "Become an Organ Donor." By mid-April, generous members of the Village community had made gifts more than covering the cost of the instrument.

While nothing ever goes quite as quickly or as smoothly as you would like, The Village at Summerville looks forward to enjoying the music of its Allen Protégé Organ by early Fall. Soli Deo Gloria – To God be the Glory!

HOW CAN I HELP?

From time to time, situations arise that create financial strains beyond our normal ability to handle them. Illness, a death in the family, an automobile accident, an unexpectedly high electric bill, or an expensive car repair can shake our financial foundations.

Through the generosity of residents and their families, PCSC has a fund at each community – coordinated by the chaplains – that

offers assistance to employees who find themselves in these difficulties.

A gift to the Employee Emergency Fund will assist employees who serve our residents every day but who are dealing with one-time needs and struggles of their own.

Please consider an online gift by going to giving.prescommunities.org, choose **Employee Emergency Fund** and note in the Comments Box which community's employees

you would like to assist. Your gifts to this fund are tax-deductible to full extent of the law.

Thank you for your gifts and support.

HAPPY ANNIVERSARY, LAUREL CREST!

On August 31, 1994, members of the Columbia's First Presbyterian Church opened the doors to a new and exciting ministry for their congregation – a retirement community in West Columbia called Laurel Crest. Since 1994, Laurel Crest has served senior adults from its perch at the confluence of the Saluda, Congaree, and Broad Rivers.

In 2018, First Presbyterian Church and Presbyterian Communities of South Carolina completed work for PCSC to become owner and operator of the community. Led by Executive Director, Jim Deel and a capable team, Laurel Crest continues to bring care, provide comfort and be a home to nearly 100 residents of all faiths.

In 2024, the community is thrilled to celebrate its 30th anniversary with a festive afternoon of refreshments, tours of the community, live music and a Senior Living Professionals Happy Hour. Everyone is invited to the celebration!

PCSC congratulates all who have served this thriving community and those who have called Laurel Crest home! Here's to at least 30 more exciting years.

THANK YOU FOR YOUR GENEROSITY

THE GOOD SAMARITAN — Society —

Who is a member of *The Good Samaritan Society*?

Members of *The Good Samaritan Society* are individuals who have notified PCSC in writing that a provision has been made for its mission and ministry through a bequest or other planned gift. Besides one's will, planned gifts could include naming PCSC in a charitable trust, charitable gift annuity, retirement plan – such as an IRA, 401(k) or 403 (b) – or life insurance policy,

Why should I notify PCSC of my plans?

First, we want to be able to personally thank you for your generosity. Second, we want to be sure that we understand exactly how you would like your gift to be used. We want to be sure we are honoring your wishes. Please let PCSC know of your planned gift by contacting the Foundation Office at (803) 365-0844 or by emailing Bill McConnell, Director of Foundation Services and Church Relations at william.mcconnell@prescomm.org. Should you choose to remain anonymous, we will respectfully honor your wish.

Members of the The Good Samaritan Society

PCSC is deeply grateful to the members listed below and to others who have chosen to remain anonymous. Your planned gifts will make a lasting and significant impact on this ministry and the lives of those PCSC serves.

SKY HIGH HONORS

Sammy Wham, resident of the Clinton Community, is being honored by the Laurens County Airport Commission for his years of service as Airport Commission Chair. A topping out ceremony was held at the airport in June, where it was announced that the new terminal building would be named after Wham. During his years of service for the commission, he was instrumental in many policies that have positively impacted the community. His planning and decision-making skills will continue to benefit the long-term development of the airport and county for years to come! We congratulate Sammy on this well deserved honor.

ONE HUNDRED YEARS — WELL LIVED AND LOVED

On Friday, July 12, the Clinton Community had a very special celebration for Frances Dixon. Family and friends came from near and far to join Frances in ringing-in her 100th year! In her early years of life, she grew up near Atlanta, Georgia, and married young, had three kids, and enjoyed a career as a social worker. Despite being a widow for much of her life, she maintained a positive outlook and reached many hearts through her job and travels. Traveling is something she quite enjoyed, visiting all but two continents: Australia and Antarctica. One may also be surprised to learn of her passion for clogging, which she enjoyed into her later adult years. Artwork was another hobby that was beloved by Frances, which one could see is still important to her by a quick visit to her room. Frances was over-the-moon to have her centennial celebrated in the company of those nearest and dearest to her. How lucky we are to have been a part of such a special occasion!

Residents celebrate Christmas in July by repairing Christmas decorations and making some new ones. Above left: Sandi Vicari, Beth Burnside. Above right: Gay Winter and Weesie Anderson.

Providence Puppets delighted residents by performing several Christian skits and songs. The puppets are an outreach of Providence Baptist Church.

Jim Wilhide, Carolyn Lowe, Jane Anker and Kathy Brown enjoyed an outing to walk at Riverfront Park, where they saw an alligator! This was followed by a refreshing visit to Bitty and Beau’s coffee shop, which recently opened in Columbia. We loved hearing the origin story and the mission of radical inclusivity for people with Down syndrome and other intellectual and developmental disabilities.

Carolyn Lowe, Gay Winter and Ida McCaskill enjoyed a walk at Timmerman Trail (left), followed by lunch at Steel Hands Brewing (below).

On “National Start Over Day,” we paused to recognize the spiritual significance of starting over or starting fresh with a Labyrinth. It was beautiful and moving to walk together – holding a question, prayer or intention in our hearts and minds as we walked. Chaplain Brooklynn Smith shared the ancient spiritual significance of the Labyrinth and why it is such a poignant reminder of the fresh start our faith offers us each moment.

Residents enjoyed getting some fresh air while taking a ride in the new golfcart.

"Progressive Bingo" is the latest craze at the Florence Community. The game lasts all month with a new number posted each day. This encourages residents to get a little exercise by walking each day to play. Phyllis Gray (left) was the July winner, and Alice Baker (right) was the June winner!

A local artist led residents in painting an attractive beach scene during a Sip and Paint event. They also enjoyed sipping on a glass of wine.

GARDENING GOD'S WAY

Our residents enhanced the community with several raised gardening beds consisting of flowers, vegetables and herbs. Many helping hands participated in this project with a designated Soil Day and Planting Day. A poem called "Gardening God's Way" was the inspiration for the Gardening Team with a reminder to include "thyme" for God, "thyme" for study and "thyme" for prayer."

The Grand Opening of the Foothills' Gallery was in May, featuring MaryAnne Stoeppler (below, pictured with her family) and her Seaside Collection paintings. This new gallery will refresh every other month to showcase the artwork of residents and staff.

We remembered and honored those who have served with reflection and celebration.
