

Resident Spotlight

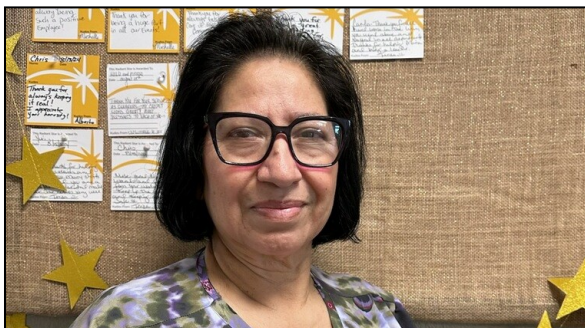

Steve

We are pleased to present Steve in this month's Resident Spotlight. Steve has long enjoyed going to Depoe Bay to be near the water where he can watch the whales and seals go by! Here at Emerald, he enjoys reading boat magazines, socializing with friends at meal time, and going on walks outside. His favorite color is blue - in every shade and his favorite food is a nice juicy hamburger with all the right toppings and a simple classic side salad.

We are lucky to have you here, Steve!

Team Member Spotlight

Porfi, Caregiver

Say hello to Porfi! She is one of our amazing caregivers. Residents absolutely adore her. She has been caregiving for 17 years and counting!

When Porfi is not working, she enjoys cooking, cleaning and shopping. Her favorite food is a traditional Mexican dish, Mole'. Her favorite color is black and She loves going to Ross and TJ Maxx.

Porfi's favorite thing about caregiving is the quality of time she spends with the residents. That puts a smile on her face! Thank You, Porfi, for all that you do!

Simply, Thank You! Our Caregivers, Med-Techs and Wellness Team are always willing to smile for the camera!

Excited to Try!: Rose & Brenda waiting patiently to have home made guacamole and chips!

Do I Smile Now?! Posing are Alexis, med-tech, and Judy!
