SENIOR LIVING

## Letter from Executive Director

Dear Friends,

Summer was so much fun around RobinBrooke with the cookouts, fair, hog calling contest, baby contest and other activities. I have to admit even the dunking booth was fun. Our Activity Department is working hard to have an amazing time as we move into the cooler months. Please note the date and time for our 1950's event on September 10. Be sure to RSVP so you do not miss out on the fun.

National Assisted Living Week starts September 8th. Please be sure to check the calendar for lots of fun events and days with the theme "Inspiring Generations."

We continue to work through the transition under the Kentucky Office of Inspector General. We are anticipating a mid-September start date for medication administration in our Open Arms neighborhood. For those who are transitioning to Synchrony Pharmacy, please do not stop your current pharmacy from sending medications. Either Deb or I will reach out to you as the date draws near. As mentioned before, medication administration will initially only be on the Open Arms Neighborhood.

Lastly we will be sealing and striping our parking lot soon. We will communicate dates via email and signage at the front desk. I appreciate your patience during this process. Hopefully, it will be a quick inconvenience.

Even though summer is my favorite season I am looking forward to all of the fall décor and fun that Halloween brings. Please stop by or call if you need anything from me or our team.

## Resident Spotlight

Mary Elizabeth Davis was born October 11, 1934. She married the love of her life, James Davis, who was in the Air Force. She is the mother of six children: four boys and two girls and came from a large family where she had thirteen siblings.

After James' duty in the Air Force, they lived in Brownsville, Kentucky for a short time. In the late 60's James and Mary moved to Louisville, bought two homes and restored them. While in Louisville, she was a seamstress for a dry cleaner. They sold both homes in Louisville and moved to Grayson County where they built their own house and opened Davis Motors. Mary then became the bookkeeper.

Mary has always loved gardening and therefore, had lots of fresh organic food every year. Mary is a woman of many talents. Her hobbies included sewing, needlepoint, knitting, crocheting dolls, as well as raising sheep and cattle. She was so talented that she sewed Barbie clothes for Mattel for a period of time! As for her sheep, they were her pride & joy. They actually flew an airplane to South Carolina to pick up her male sheep. He was such a handsome dude! She and James loved flying to different places. They even managed the local airport and had a hanger to store James's plane.

She is an avid reader and an amazing cook; her cheesecake is the best!
