# Letter from our Executive Director

Happy September friends, families, and residents, I simply cannot believe how time flies when you are having fun. It has been a great summer here at Stilley House. We've had lots of popsicles on the porch, lots of lemonade, great activities, and mostly, lots of fun! I love it when the house is full of excitement. We've welcomed many new residents over the summer, and it has been such a pleasure getting to know everyone and adding to our Stilley House Family.

Since we have so many new residents and families, I wanted to introduce you to a couple of things. First being, The Arcadia Way program for employees who deserve recognition for going above and beyond. If you want to nominate an employee, you can get a form from the concierge desk. Another thing I want to bring to your attention is the list of Stilley House managers that are listed on the back of the newsletter. We hope you have found your time at Stilley House has met or exceeded your expectations. But if ever you have a concern, please reach

out to me or any member of the management team. We are ALWAYS here to help! If you feel like we are deserving, please leave us a five star review on google.

September is one of our favorite months because we get to celebrate National Assisted Living Week. We have some really fun things planned for residents and staff and hope to have a really great week. This week is special to me because we not only celebrate our wonderful residents, but it gives us an opportunity to show our appreciation for our staff. The staff we have are nothing short of amazing and they deserve so much praise. Please take the opportunity this month to thank them for all they do.

In closing, thank you, as always, for sharing your loved ones with us. They enrich our lives more than you will ever know. I feel so blessed to spend my days amongst such wonderful people.

## Our Newest Arcadia Ambassadors!

It is our pleasure to announce and congratulate our second quarter Arcadia Way winners; Pam Bell, Hospitality Specialist and Kaitlyn Bullard, Resident Care Specialist. Stillely House is blessed with the best staff and these two go above and beyond for our residents! Pam gets to spend one on one time with the residents each week and always puts their needs above all else. There's absolutely nothing she won't do for our Stillelies. Kaitlyn is an outstanding caregiver who has proven she can handle just about anything. Her quick thinking, attention to care, and calm nature are just a few of her strengths. Join us in congratulating these two amazing members of the Stillely Family!

## Assisted Living Week: Sept. 9-13

We are excited to announce our annual celebration of National Assisted Living Week, scheduled for September 9-13th at Stillely House!

The theme this year is "Inspiring Generations." Some events we have planned include a dance party, an ice cream truck for the residents, a service project for Benton Elementary teachers, a FOAM party and evening picnic for residents and their families (save the date for Thursday, Sept. 12th!), and a celebration on National Chocolate Day.

It should be a fantastic week! Stay tuned for more info from Paula.
