

## Residents, Responsible Parties Asked to Participate in Survey

Our mission at The Renaissance at Coeur d'Alene is to create comfortable, caring environments for those who depend on us. We are committed to fulfilling our mission by conducting ourselves according to our core values: Honesty, Integrity, Reliability, Excellence, Respect, and Compassion. But, how do we know we are achieving this mission? Only with feedback from the those that we serve!

We have multiple avenues for feedback throughout the year from our Resident Council Meetings to our Compliments and Concerns Hotline. In addition, each year we take the time to conduct a full survey of all of our residents and responsible parties in our Annual Satisfaction Survey.

These surveys have three to four specific questions on staff, care, food, and overall satisfaction. There is a star ranking from 1 star to 5 stars based on your satisfaction in the area of the topic. You'll then have the opportunity to comment on your ratings as well. We keep it short and to the point knowing your time is valuable. This information is essential to our ability to continue doing what has been done well and improve in areas where improvement is needed.

Emails are being sent out to all responsible parties beginning in late September and continuing throughout the month of October. Posters for residents will be posted throughout the community with ways to complete the survey as well. We will provide times and staff for those who need assistance in accessing or completing the survey. Your participation is greatly appreciated!

Share Your Thoughts This October!

### Resident & Responsible Party Satisfaction Survey

Residents and Responsible Parties, please keep an eye on your email for our Annual Satisfaction Survey! We are sending out our annual survey links from September 27th. The survey window is open through October 31st.

**Your participation is greatly appreciated!**

### Feeling Punny

Some favorite Fall puns to incorporate into your conversations with the grandkids to keep them giggling! Because, after all... a joke doesn't become a Dad joke until it becomes apparent!

- 1) Fall in a day's work!
- 2) Sweater safe than sorry!
- 3) Life is gourd!
- 4) It's fall coming back to me now!
- 5) I only have pies for you!

## Fall and the Significance of Change

***“Autumn, the season that teaches us that change can be beautiful.”***

— Heather Stillufsen, Illustrator and Author

As The Renaissance is watching our grounds go through the changes of Fall and we're preparing the community for the upcoming holidays, we are also seeing changes in our community that come with growth. We have been blessed to welcome new members to the community here in our beautiful houses, new families to our community, and new team members to our staff.

What has not changed for The Renaissance is our commitment to the safety and well-being of our residents and staff. Members of our Home Office staff from Radiant Senior Living have been here to help with training our new teams and working with our new residents and families to support our commitment to care.

Like the change of the seasons, this is a significant time in our community. We invite you to take part in the community and these changes by adding your voice to our Resident & Responsible Party Satisfaction Survey coming out this month, follow along on Facebook and our website for events and activities to join in at our community, and participate in our Assisted Living Resident Council Meeting on the 23rd.
